

WARRIOR TRAILS

By Robin Newcomer

Take a good look at the empty field in front of the school someday soon. Next time you see it, it probably won't be empty.

Construction of the new administration building was begun Monday and it will be completed in time for the 1967-68 school year. Meanwhile, when the noise gets to be a little too much, remember it's one more step toward a bigger and better school.

Each letterman on campus is walking around with a pocketful of tickets to the biggest car wash of the year.

Be sure to help the athletes out and get a spotlessly clean car as well as by buying a ticket for only 75 cents. The guys will be using their muscles, along with soap and water, May 13 from 9:30 a.m. until 4 p.m. in the faculty parking lot.

CONGRATULATIONS to Vickie Davis, Vickie, a junior, won the first place trophy for West High for her essay in the Torrance Beautiful contest.

The sophomores once again are selling class pins. The

pins include the gold-plated letters "WHS" and are attached by a chain to the year you graduate. Don't be the only one without a pin for your school organization sweater or jacket. Pins can be bought from any sophomore or in the student activities office.

DO YOU FEEL student government would improve if Dr. Ford came to student council meetings? Are you in favor of the proposition that the House of Representatives should be able to override the Student Council by a two-thirds majority? How do you think the proposed amendments can be publicized more efficiently before elections? These issues, among others,

will be discussed tomorrow at the open Student Council meeting in the lecture hall at 7:40 a.m. Don't miss the opportunity to voice your opinion about these important issues concerning student government.

Trail's End!

Seaman Rct. Charles C. Kenner, USN, son of Mr. and Mrs. Charles E. Kenner of 344 Calle de Annalucia, is undergoing nine weeks of basic training at the Naval Training Center at San Diego.

Net Earnings Show Increase

Net earnings of \$823,323 for the first quarter of 1967 were reported today by Fanteel Metallurgical Corp., based in North Chicago, Ill. Earnings are up 20 per cent from the same period last year.

Sales for the first quarter amounted to \$17.3 million, 28 per cent greater than for the same period in 1966.
