

New Officers Installed by Accountants

The National Association of Accountants, Palos Verdes-Torrance Chapter, held its annual installation of officers June 3 at the Palos Verdes Country Club.

Over 60 members and their wives were present as outgoing president Jason Terry turned the presidency over to Merlin Johnson.

Other officers are Ben Hague, first vice president; Rob Woolheater, second vice president; Robert Costello, secretary; and Raoul Carrere, treasurer.

Terry reported to the Chapter members that the fiscal year 1967 will be a "banner year" for the Chapter, among the top 20 chapters in competition throughout the United States.

The chapter will be awarded its banner at the Annual Awards banquet, to be held in Denver, Colorado.

Fire Plugs Continue Testing

Fire flow tests from fire hydrants by the Torrance Water and Fire Departments will continue today as a part of the fire protection survey being made by the American Insurance Association.

The tests, in many sections of the City of Torrance, may result in cloudy water for a brief time in some localities but it should clear up promptly and at no time will water be unsafe to drink.

Persons using automatic washing machines should see that the water is clear before doing laundry. The purpose of these tests is for grading the adequacy of the water system. The City's fire protection will be evaluated by the American Insurance Association.

The Tape Total Tells The Truth About Savings

A few days ago we chose a customer at random, Mrs. Norma Homstad of Whittier, and asked her permission to make a list of her purchases, which amounted to \$40.02. Had she bought the same groceries at two other leading food chains she would have paid \$3.22 to \$3.31 more than what she paid at Market Basket. The totals from the other chains include specials as well as regular prices.

No doubt you, too, can save as much if you shop Market Basket every week, and thanks to Deep-Cut Discount Prices on EVERY item* EVERY day, you don't have to limit your selections to certain items, brands or sizes to save money at Market Basket.

This is an actual photo of Mrs. Homstad's basket of groceries taken June 12, 1967.
