This is the week the guy with the whiskers and the striped pants wants his cut of your hard earned bank roll. In spite of this minor inconvenience, I think ours is the greatest country on earth. Now, I've put away my flag and returned to the mundane. One way to end up with a larger slice of your paycheck, is to ride the bus to work. That second car sitting out in front of your house is costing you a hundred dollars a month or more. For that kind of money, you could do a lot of things. Try the bus and see for yourself.

On Baldwin Avenue, northwest of the Santa Anita race track in Arcadia, is the Los Angeles State and County Arboretum; 127 acres of historical beauty. The home of "Lucky" Baldwin has been restored in all its regal splendor. Convent trams are available daily, providing you with conducted tours. This nostalgic estate, surrounded by lakes, flowers, green lawns, trees, and birds will send you away talking to yourself. Take the RTD 68 line from Spring Street, Los Angeles, going through South Pasadena, San Marino, San Gabriel to Arcadia. Get off at Baldwin Avenue and walk north, or from Pasadena, take the 108 line to Baldwin Avenue and Colorado and walk south.

Uncle Sam has April 15th, Harold Ostley has April 10th, but Hollywood Park had April 9th all sewed up. That's the day you put into practice all the skull duggery you've planned for outsmarting the ponies. Personally, I favor horses I can talk to, like Mr. Ed. This year, as in the past, RTD will offer service from Hollywood, Los Angeles, Huntington Park, and South Gate. In addition, service from Riverside, Ontario, and Pomona will be available. Send for a map and a Hollywood Park timetable.

Q. How do I get to Disneyland from Inglewood via RTD and to Redondo Beach from Imperial Highway and Hawthorne? A.P.

A. Take the 5 line to 6th and Broadway, walk 2 blocks east to the new terminal, board a 58 line and before long you are at Disneyland. For Redondo, take the 5 line on Hawthorne south to Artesia, change to the 101.

Q. How can I get to the Federal Building in Los Angeles from Pacific Coast Highway and Hawthorne? L.A.

A. Catch the 102 to Redondo Beach, and the 51 to downtown Los Angeles, or the 102 the other direction to South Bay, and change to the 5 line to the Federal Building. I'll send you timetables and a map.

Q. How can I get from 110th and Broadway to Santa Monica and Sawtelle Boulevard in West Los Angeles? The last time I tried, it took me 6 transfers and 3 hours and 20 minutes. Mrs. R. N.

A. Even if you took the 7 bus to Los Angeles and the 4 bus out to West Los Angeles, you would need only 2 hours and 20 minutes. Another way is the 7 to Century, the 100 to Western, the 84 to Olympic, and the 4 to West Los Angeles.

Q. How can I get from Pico and Sepulveda to Foothill and Verdugo? It required 4 buses the last time. A. C.

A. It's going to require 4 buses this time, also. The Santa Monica 7 line, the 26 line, the 56 line, and the 19 line. I can't send you a map, as I don't have your address.

Send your questions to Artie Dee, Transportation Editor, care of this newspaper. All questions will be answered in the column or by mail. A system map will be sent FREE to each person writing in. NO STAMPS OR STAMPED ENVELOPES ARE NECESSARY.
