## Years of Service Rewarded

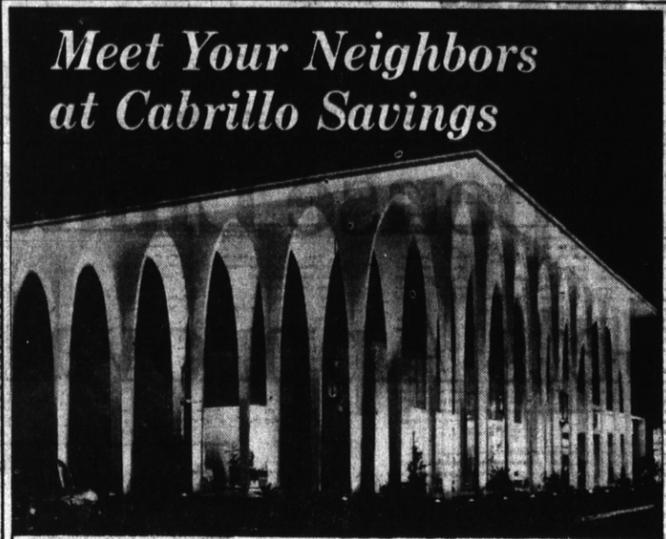

E. W. Nordstrand of Torrance has been admitted to membership in the "30-Plus" club of the Southern California Gas Company, in recognition of 30 years of service with the company. Nordstrand was presented with a watch at the long-service dinner held recently in the Plush Horse Restaurant. F. T. Pond of Harbor City received a special diamond pin representing 40 years of service. Diamond and sapphire pins were awarded to Mrs. Pauline Brown and Mrs. Elizabeth Moffitt for their 25 years of service.

merce and industry chairman for the community's American Cancer Society Crusade by Carl Carlson, district chairman, said he and his committee hope to reach the area's estimated 80,000 industrial employees with an opportunity to contribute in support of the society's education, research, and service programs. His committee members include Jim Hillman, Union Bank; Ralph Rogers, First Western Bank; George Post, United California Bank; Keith Pischel, Imperial Bank; Harry Gorman, Del Amo Properties; and Bert Swartz and Earl Tomlinson, Bank of America. Indicating that distribution of the latest facts on cancer control is a major part of the Crusade, Babcock said ACS medical authorities report that the cancer cure rate would be raised to one in two if all cases could be detected in time. Currently, one cancer patient in every three is being cured.
