LINCOLN SAVINGS

It's time

to review your savings program

Much is happening this year that could affect your financial future. So it's a good time to review your savings program. How much are your savings earning for you? Are they safe and secure? Are they available when you need them? Why not check and be sure? Then, take a look at Lincoln.

Lincoln's passbook account offers savers the highest interest rate available in the nation on an insured passbook account. Your savings earn 5.13% when our current annual rate of 5% is compounded daily and maintained for a year.

If you're a long term saver, choose a Lincoln 5 3/4% bonus account. In addition to the 5% current annual interest rate, you'll earn an extra 3/4% interest per year. Paid at the end of 3 years on accounts opened in multiples of \$1,000.

What's more, on all accounts, savings earn interest from date of receipt to date of withdrawal when held for three months. Funds received by the 10th of the month earn interest from the 1st.

At Lincoln, your savings are hard working, readily available and safe. Look into Lincoln soon.
