

## Five Offices Opened in Rafferty Senate Drive

Five 46th Assembly District Rafferty for U. S. Senator headquarters have been opened, according to an announcement by Loris Sinanian, Rafferty's 46th Assembly District campaign chairman. The first is a shared office with Democratic presidential nomination candidate Robert Kennedy at 6 Fashion Square in the Del Amo Center. Mrs. Evalina Boggess is headquarters chairman in the Torrance office and will maintain hours from 10 a.m. to 6 p.m. for campaign activities. A Redondo Beach head-

quarters has been established at 425 S. Pacific Coast Hwy.

Mrs. Jean Juneau is in charge of the operation in the Palos Verdes headquarters at 716 Yarmouth Road, Palos Verdes Estates.

Ralph Valirie will head the office at 219 Manhattan Beach Blvd., Manhattan Beach.

Mrs. Maxine Blakeman is in charge of the office at 436 Main Street, El Segundo. Additional headquarters offices will be established in the next few weeks, Sinanian said.

**HOME AWAY FROM HOME . . .** Assemblyman Robert G. Beverly (right) presents a California Bear Flag to Carl H. Wolfe, industrial engineer at TRW, after Wolfe's son, Specialist Fourth Class Christopher Wolfe requested the flag for his Army platoon stationed in Pleiku, Vietnam. Specialist Fourth Class Wolfe had written to his father for a California flag because state flags have become a symbol

of home for fighting men overseas. The soldiers plan to use the banner as the emblem of their unit. When Wolfe was unable to find a Bear Flag, he contacted Jack Wooley, director of civic and governmental relations at TRW, who in turn presented the problem to Assemblyman Beverly. Beverly filled the need with a Bear Flag which has flown over the State Capitol in Sacramento.

## Offices Approved

Expansion of the County Assessor's office in Lomita has been approved, Supervisor or Burton W. Chace said today.

The expansion was assured as supervisors Tuesday approved a three-year lease of quarters for the assessor's staff at 2049 Pacific Coast Hwy. "Staffs from other areas will be housed in the Lomita facility for the convenience of all area residents," Chace said. "This is another example of the county taking its services to the people."

Supervisors approved a three-year contract which provides approximately 7,500 square feet of office space for \$1,552 a month.
