Capitol News Service
SACRAMENTO — A survey taken by Senator Ralph C. Dills (D-Gardena) of 90,000 households in his 32nd Senatorial District indicates crime is the most important issue facing the people of Los Angeles County and the communities within his district.

He said 23.7 percent of those polled listed crime in first place, followed by taxes at 20.2 percent. The returns, still coming in, have reached 20,000. This is something over 22 percent, Dills said, which is considered an excellent result as to the interest displayed in the issues of the day.

Other issues listed by the voters were air pollution, 13.8 percent; civil disorder, 13.7; narcotics, 8.9; education, 6.8; rapid transit, 6.4; Medi-Cal, 1.4; firearms control, 1.0, and freeways, .8 per cent.

"When crime is coupled

with the response of 13.7 percent for civil disorder," Senator Dills said, "it is apparent that personal safety is a much more important factor than the pocket book in the feelings of our citizens."

Senator Dills noted the four Assembly Districts (44, 55, 67 and 68) within the 32nd Senatorial District each showed similar voter reactions in se-

lecting crime as the most important issue.

Science Shrinks Painful Hemorrhoids

Stops Itch—Relieves Pain

Finds Way That Both Relieves Pain and Shrinks Piles In Most Cases

New York, N.Y. (Special): Science discovered a medication with the ability, in most cases — to actually shrink hemorrhoids and promptly stop the burning itch and relieve pain.

In one hemorrhoid case after another, very striking improvement was reported and verified by doctors' observations. Pain and itching were promptly relieved. Then this medication starts right in to gently reduce the swelling of inflamed, irritated piles.

Tests conducted on hundreds of patients by leading doctors in New York City, in Washington, D.C. and at a Midwest Medical Center proved this so. And it was all done without narcotics or stinging astringents of any kind. The secret is Preparation H® — an exclusive formula for the treatment of hemorrhoids. There is no other formula like it! Preparation H also lubricates to make bowel movements less painful, it soothes irritated tissues and helps prevent further infection. Preparation H comes in both ointment or suppository form. No prescription is needed.
