Pamphlet to Explain Code For County

Printing of 10,000 pamphlets to advise the novice builder of County construction code requirements has been authorized, according to Supervisor Burton W. Chace.

Supervisors today instructed the County Engineer to have the pamphlet, "Dwelling House Requirements," printed and made available to the building public.

"This pamphlet is handy for the builder and covers the major code requirements for typical residential construction," Chace said. "It's use benefits the County Engineer's Department by reducing the time required to explain corrections and construction problems."

Officers of the lodge installed with Kaplan include Arthur Novom, Palos Verdes Peninsula, first vice president; Eugene Kushnick, 3115 Merrill Drive, second vice president; Frank Levin, Palos Verdes Peninsula, third vice president; Ben Rosen, 3558 W. 226th St., treasurer; Seymour Bogin, 829 Calle de Arboles, financial secretary, and Seigard Gottlieb, 3627 W. 171st St., corresponding secretary.
