

Christian School Plans Commencement Rites

Dressed in traditional cap and gown attire, kindergartners at Harbor City Christian School, 840 W. 255th St., Harbor City, will be graduated into the first grade at ceremonies Thursday at 7:30 p.m.

Speaker at the graduation will be the Rev. Marion Plies, pastor of Harbor City Foursquare Church. Mrs. Loraine Pearson, director of the kindergarten, and Miss MayBelle Snyder, vice principal, will present diplomas with the Rev. Plies.

Eighth grade graduation was scheduled for Tuesday at 7:30 p.m. featuring guest speaker evangelist Milton W. Ellithorpe of Angelus Temple, Los Angeles.

Vista Trains Area Couple

Mr. and Mrs. George R. Isham, 18045 Ardath St., were among 29 trainees who were recently graduated from a VISTA training program at the Westinghouse Training Center in Atlanta, Ga.

As Volunteers in Service to America, the couple will spend one year working with the Miles College Community Development Program in Fairfield, Alabama. The Volunteers will go out into the community offering basic adult education and tutoring services for the children. They will help organize self-help programs and give family counseling.

Pre-Registration Schedule Set for L.A. City Schools

An eight-day pre-registration period for students who will enter kindergarten for the first time this fall will be held at all Los Angeles elementary schools beginning Tuesday, Sept. 3.

Superintendent of Schools Jack P. Crowther said that students in grades one to six who will be new to the district or who will be transferring to another elementary school also may pre-register during this period.

Pre-registration will be held on Sept. 3-6 and Sept. 10-13 from 8:30 a.m. to 3 p.m. in the office of the principal of the school the pupil is to attend. Final registration cannot be completed until the first day of the fall semester, Monday, Sept. 16.

must appear on the first day of school."

To be eligible for kindergarten this fall, the state requires that a youngster be five years of age by Dec. 1, 1968. The youngster must have adequate proof of age—birth certificate, baptismal certificate, health office record of birthdate or passport.

In addition, all pupils enrolled in the public schools of California are requested to show evidence of having been properly immunized against poliomyelitis and measles. A parent who does not believe in immunization may make a statement of this belief on a form provided by the school and thus comply with the law.

DR. CROWTHER emphasized that when a child registers, he must be accompanied by a parent, guardian or other responsible adult.

Even though a kindergarten child pre-registers, he must be accompanied by a parent, guardian or other responsible adult on the first day of school to complete the registration process. However, if a child in grades one through six pre-registers, it is not necessary for the parent to accompany him on the first day of school.

ALTHOUGH pre-registration is not mandatory, it is strongly recommended so parents can fill out routine forms in advance," Dr. Crowther said. "However, to complete registration, the child

Now Possible To Shrink Painful Hemorrhoids

And Promptly Stop The Itching, Relieve Pain In Most Cases.

New York, N. Y. (Special): A scientific research institute has discovered a medication which has the ability in most cases—to actually shrink hemorrhoids. In case after case, the sufferer first notices prompt relief from the itching, burning and pain. Then this medication starts right in to gently reduce the swelling of inflamed, irritated hemorrhoids.

Tests conducted on hundreds of patients by leading doctors in New York City, in Washington, D.C. and at a Midwest Medical Center proved this so.

And it was all accomplished without narcotics or stinging astringents of any kind.

The secret is Preparation H®—an exclusive formula for the treatment of hemorrhoids. There is no other formula like it! In addition to actually shrinking piles and relieving the painful distress—Preparation H lubricates, makes bowel movements less painful and soothes the irritated tissues. It also helps prevent further infection.

Preparation H comes in ointment or suppository form. No prescription is needed.
