## Exams for CHP Posts Scheduled

Young men who have been considering a career in law enforcement will soon have an opportunity to take the qualifying examination for the California Highway Patrol, it was announced today by Captain P. J. Ford, CHP Commander in the South Los Angeles Area.

Written examination for state traffic officer will be given March 2. Applications must be filed with the State Personnel Board by Feb. 9. "We are seeking men between 21 and 31 who want a career with a purpose. Any of our officers will be glad to talk with such fellows about the job of a highway patrolman, and we invite them to come into our office any time we are open. We also have information about the examination, including application forms, for their convenience," Captain Ford said.

IN ADDITION to the age factor, applicants must be in good health, have a high school diploma or its equivalent, be at least 5-foot-9, but not more than 6-foot-6, and meet other requirements.

The pay for traffic officers starts at \$676 a month and increases in three annual steps to \$783 a month, Ford explained. Fringe benefits are generous and opportunities for advancement are always open for the qualified.

Information about the examination may also be obtained from a California Department of Employment or State Personnel Board office.

## LSD Topic Of Speech At College

"Narcotics and LSD," a lecture give by Dr. J. Thomas Ungerleider and Dr. Duke Fisher, both from UCLA Medical Center, will be presented at El Camino College tomorrow at 8 p.m. in the new auditorium.

Admission is \$1 for the public.

Both men have testified before the U. S. Sub-committee on Narcotics Addiction in Washington, D.C., on the LSD problem.

Their articles have appeared in The Journal of the American Medical Association, The Nation and Arts and Architecture, and forthcoming articles will appear in The California Medicine magazine.

As permanent members of the Los Angeles County Medical Society's Public Information Committee on Drug Abuse Problems, Drs. Ungerleider and Fisher have been consultants to the California attorney general on current problems of drug abuse in this state.

Tickets for the lecture are on sale in the college bookstore and will also be sold as available at the door.

## Skunks Top List Of Rabies Cases

Capital News Service

SACRAMENTO — The state Department of Public Health said 237 cases of animal rabies were reported in California during 1967, about half of them in skunks.

The department said rabies cases reported in skunks totaled 139. Other cases included: bats, 36; dogs, 21; fox, 14; bobcat, 8; cats and bovine, 6 each; coyote, 4; and equine, 3.
