

Police Arrest Youths; Find Hypodermic Kits

Two hypodermic kits and 100 red capsules resembling second were taken as evidence Sunday evening when police arrested three area boys. The youths, ranging in age from 17 to 20, were picked up about 5:20 p.m. at the 4300 block of 190th Street.

Police said the three youths were staggering in the street unable to talk coherently. They were charged with being under the influence of an intoxicant in public. Police said all three were oblivious to where they were or how they got there. All three had needle marks in their arms, it was reported.

The youth who allegedly had the hypo kits and capsules in his pockets was also charged with contributing to the delinquency of minors by furnishing them narcotics. He is 20-year-old Steve H. Odegaard, 1241 W. 185th St., an unemployed laborer.

Another of those arrested is Larry Leo Burke, 20, of 18706 Towne St., Gardena. A 17-year-old boy taken into custody with the others passed out while being booked.

Boy on Bike Injures Leg In Collision

A boy on a bike ended up in the hospital Saturday morning after colliding with a car near his home.

Seven-year-old Kenneth Eason of 16925 Purche St. was taken to Little Company of Mary Hospital for treatment of a possible broken leg and multiple scrapes. His bike collided with the car on Purche Street when the boy drove off the sidewalk into the street.

Installing officer was District 51 Governor Mike Luyt of Redondo Beach, a member of the local club.

Governor Luyt was also one of two featured speakers, talking about his former homeland, "South Africa: Fact, Fiction, and Fiction." Area 51 Governor Tony Figueroa spoke on "The Strangeness of Truth."

The local club, in continuous operation since 1949, holds bimonthly dinner meetings on the first and third Tuesdays at 7 p.m. in the Indian Village.
