### Youth Learns of Mother's First Marriage, Runs Away

A North High School student ran away from home Sunday after discovering that his dad is not his natural father.

The 16-year-old became dependent recently when he found out that his mother had been married before and that her first husband was his father. His mother and adopted father have been married 14 years.

The boy took the family car and disappeared with his 15-year-old girlfriend, leaving only a brief note explaining
