

The Pit Crew Keeps Busy When Parnelli Jones Goes Driving at Riverside

NO TIME TO SPARE . . . Competing in a major auto racing event is not a one-man operation. When Parnelli Jones of Torrance took part in the Motor Trend 500 at Riverside last week, his pit crew was almost as busy on the sidelines as Parnelli was driv-

ing his Ford Torino for 186 laps. The upper three photos show the crew surrounding the car as it approached the pit, changing wheels (tires), replenishing the gasoline tank, and pushing it out onto the speedway again. The center photo also shows

Parnelli receiving refreshments through the window. At the left is the timekeeper who records lap times and calculates consumption of fuel. Signals are given to P.J. across from the review stand. Interested in the proceeding (lower center) are Tom

Zaharis, George Vico and car owner Vel Milletich from Vel's Ford.

Golfer Honored

Durwood Perryman and Omer Tingle took top honors in the first annual John Kovacs Memorial Golf Tournament at the Rolling Hills Golf Club.

Perryman shot a three under par to win low gross honors while Tingle, owner of the course, fired two under par for low net.

The tournament was staged in honor of the late John Kovacs, director of public relations, who died recently. More than 80 golfers participated and contributed \$1,000 to the educational fund of the three Kovacs children. Kovacs was a retired Marine Corps major who was wounded in action in World War II and received the Silver Star for gallantry.

Other winners in the low gross category were Tim Holcomb, second; Lloyd Jones, third; Art Ignacio, fourth, and Paul Moore, fifth.

Following Tingle in the low net field were Joe Deeble, second; Paul Halstead, third; Bill Greer, fourth; and Howard Schoen, fifth.

The only hole in one recorded in the all day tournament was by Chris Sorenson of Palos Verdes Estates. He turned the trick on the ninth hole with a No. 9 iron.

In a sideline contest for longest drives, Jack Baumman outdistanced all others on the first hole with a 283-yard shot. Close behind were Jim Strutzel with 280-yard and Bill Greer, 278-yard shots.

An honorable mention went to Art Ford for his drive of 295 yards off the first tee but he was just off the fairway and disqualified for the first prize.

West Five Beaten in Two Games

A "triangle and two" defense was used by West High to keep Aviation High's Paul Westphal and Garrick Barr from getting into the high scoring bracket Friday night, but the Falcons still managed to win the Pioneer League game, 74-51.

Aviation did not pull away until early in the fourth quarter.

Westphal (17 points) and Barr (3 points) have been combining for a total of 62 points between them this week. Coach Tom Sutherland was real pleased that his team was able to contain the league leaders most of the game.

In a non-league game Tuesday, Morningside crushed West, 96-65, although freshman Bill Kolodziejczak of West had his season high of 23 points.

Bill had a season high of 23 rebounds against Aviation.

Both Coaches Upset

After North High beat South, 76-62, in their first round Bay League basketball game Wednesday, both coaches were dejected over the performances of their teams.

Coach Skip Enger, whose team won its fifth straight league game, thought his Saxons were "flat." He did not seem impressed with anybody — that is except, maybe, for two or three second stringers who put on a strong finish.

About the time North had the game wrapped up, South High ace Jim Owens was out of the running with five personal fouls.

South coach Dave Corman was upset as his team was unable to follow the game plan.

"We could have won it had we been able to control the ball 24 of the 32 minutes of the game," he said.

South started out with a deliberately slowed down approach to prevent Jim Nielson and Bill Taylor from dominating the game. The system worked until the middle of the second quarter when North spurred to an 8-point lead, but just before the half ended South got back within 32-27 of the big Blue.

The game was almost put out of reach of South in the

third period when North converted a foul into a 5-point play.

Nielson was fouled on a basket by Wisniewski. Nielson missed the second free throw and Dan Hansen dumped the rebound.

North prevailed with a rebound advantage of 55-29 over the Spartans, but an occasional press defense by South left the Saxons with 21 turnovers to 9 for South.

Before he fouled out with four minutes to go, Owens had weaved in and out of the North lineup to score 23 points.

Taylor had nine field goals among his 21 for North.

Nielson, combining on the post with Taylor, had 17 points on layup shots. Only Hansen (14) and Kirk West (12) shot well from the outside for North. The inside man for South scoring consistently was Dennis Rector with 18 points.

Starting for South for the first time and scoring eight points was Mike Cloyd.

Now They Should Be Happy Again!

After expressing disappointment over their game on Wednesday, the coaches of North and South High were smiling again Friday night. Both teams won impressive victories.

Coach Skip Enger's North Saxons broke the 100-point mark for the first time in school history to crush Santa Monica, 100-68, and in the process a record 17 players were used by the victors.

Santa Monica tried to use a full court press against North, but there was no stopping Dan Anderson who drove through the stop signs for 22 points. Bill Taylor had 21 points and Jim Nielson had 18.

Enger called the victory "a great comeback."

South ran its record to 3-and-2 with an 82-69 victory over Mira Costa. Jim Owens scored 32 points. Dennis Rector, the junior center, had 22 points.

As a team, Coach Dave Corman's Spartans shot 28 for 57 from the field.

South will be host to Hawthorne in its final game of the first half Wednesday. North draws a bye.

'Flash' Will Oppose Clowns

A basketball game with a show!

That is what fans will see when the Harlem Clowns play the South High faculty Tuesday in the school gym at 8 p.m.

So be prepared for an evening of colorful basketball that includes fancy ball handling, trick shooting, comedy routines, both planned and spontaneous.

Star player for the South team is Flash Sorenson who has switched allegiance from Torrance High for this one night's performance.

The Harlem Clowns can play great basketball and mix in laughs. They start the evening's festivities with their famed "magic circle" to the tune of "Sweet Georgia Brown." Then the razzle-dazzle warm-up and an exhibition of "dunk shots."

When the referee blows his whistle to start the game the Clowns begin their comedy and the official sometimes is perplexed as to how he is going to get these funsters serious enough for the opening toss-up.

Usually the Clowns open with a quick basket, dunked in after the jump. Then a quick ball handling routine, followed by a few minutes of fast scoring with a bit of comedy thrown in between shots.

Of course there are regular routines—but the impromptu

stuff and the adlib gag is the stock in trade of these natural comedians. And they are not above getting the fans into the act!

Often a youngster, usually a little fellow, is called in to shoot a "free throw." Then again one of the Clowns takes over the referee's job — and his interpretation of the rules and calling of fouls is hilarious.

An admission of \$1.50 for adults and \$1 for students will go to the Letterman's Club.

Of course there are regular routines—but the impromptu
