

Children Will See 'Camelot'

Youthful members of the Lomita Recreation Center will board a bus to see the motion picture "Camelot" Saturday, March 9. Total cost of the outing will be \$2 per youngster — less than the price of a box office ticket.

Any boy or girl between the ages of 9 and 16 may attend. The bus will leave the center at 8:30 a.m. and return about 1:45 p.m.

Segovia Concert Slated

World renowned Spanish guitarist Andres Segovia will appear in concert at the new El Camino College auditorium Saturday at 8:30 p.m. Tickets are available at the college bookstore and at all mutual ticket agencies.

Largely self-taught, Segovia plays nearly 100 concerts a year in Europe, South America, and the United States. Almost single-handedly, he has brought the Spanish guitar to popularity in the 20th century.

Through Segovia's influence, thousands of young people are seriously studying the guitar and several major European conservatories have added the instrument to their curricula.

Segovia was discouraged from taking up the guitar as a child. It was an instrument for cafes, not for respectable people, his parents told him.

But the youngster persisted, after losing interest in the piano, violin, and cello. Today, Segovia is recognized as one of the truly unique artists of the century for restoring the guitar to its rightful place as a member of the family of stringed instruments.

Teachers To Attend Math Lab

Two Torrance mathematics teachers have been selected to receive fellowships to the Southwest Regional Laboratory for the Spring semester.

Appointed to participate in research carried on by the Inglewood faculty are Mrs. Sydney Harris of Casimir School and Mrs. Margaret Wolfe of Crenshaw School.

They will work with members of the laboratory staff, university scholars and technical consultants in developing new mathematics instruction materials and procedures based on research. They will assist in keeping laboratory activities closely related to classroom reality.

SWRL is a partnership of public institutions: the State Boards of Education for Arizona, California, and Nevada; the Regents of the University of California, the University of Nevada, the University and State Colleges of Arizona; and the Trustees of the California State Colleges. Its work is carried on under the auspices of the U.S. Office of Education.

Money must be turned in no later than Feb. 24. Reservations may be made through the center, 24428 Eshelman Ave. "Camelot" is the film version of the successful Broadway musical. The story takes place in the Middle Ages when knighthood was in flower. The color film is playing at the Pacific Cinerama Dome in Hollywood.

CHP Slates Officer Test
Friday is the last day for filling an application to take the written examination for State Traffic Officer with the California Highway Patrol that will be held March 2. Captain P. J. Ford, CHP commander in South Los Angeles area, said application forms may be obtained either at the local CHP office or any office of the California Department of Employment.

County Explores Program For Training Unemployed

Establishment of a communications and evaluation center to train 5,000 to 7,000 hard-core unemployed is being explored by county officials under the direction of Supervisor Kenneth Hahn. "Training welfare recipients in needed skills so they can get jobs and get off of relief is the soundest fiscal policy I know of," Hahn said. "When a man is working and earning for his family, he is a good citizen," he added.

Real Estate Classes Due At El Camino

Evening classes in real estate and escrow procedures will be offered during the spring semester at El Camino College, according to Dr. R. Cline Durfee, dean of the Division of Business Education. The classes included Real Estate Principles, Real Estate Practices, Real Estate Finance, Legal Aspects of Real Estate and Real Estate Economics.

Real Estate Principles, listed as Real Estate 1, will meet Monday and Wednesday from 6:30 to 8 p.m. and is the beginning course. Real Estate Practice, or

Real Estate 2, will also meet Mondays and Wednesdays from 6:30 to 8 p.m. and deals with the problems of establishing and conducting a real estate business. Real Estate 3, Legal Aspects of Real Estate, will meet Mondays and Wednesdays from 8 to 9:20 p.m. and covers the principles of real estate law.

Stock Split Vote
The board of directors of Vernitron Corp. has voted for a 5-for-4 stock split, subject to approval of stockholders at the annual meeting set for May 16.
