

PRESENT CHECK . . . Joe Wilcox (right), executive secretary of the Torrance Family YMCA, accepts a check from Thomas Burchfield, president of the Downtown Torrance Lion's Club, marking final payment on the club's YMCA Building Fund pledge.

Riviera Hospital Ends Emergency Room Use

Riviera Community Hospital will discontinue emergency services for the general public effective immediately.

Charles Jonsson, administrator, said the decision is in keeping with national trends of sound hospital planning since duplication of all services within a given area is not in the best interests of the community.

Gene Voorhees, board president, pointed out other area hospitals, "including Torrance Memorial with whom we are in the process of merging,

maintain full emergency departments and the area is adequately covered for emergency treatment.

"In accordance with our decision to concentrate on development of special departments, we recently renovated our radiology department. We now have one of the finest and most modernly equipped x-ray departments in the Torrance area," Voorhees said.

"We are in process of equipping a cardiac care unit and training the nursing staff

necessary to handle it. It will be a great asset to the medical community, and we hope to have it operative in a few weeks," he said.

"In addition, we are the

only hospital in the area being built on Lomita Blvd., which operates a neuro-psychiatric unit," Voorhees said. The new 250-bed facility in conjunction with Torrance Memorial Hospital will take approximately two years to construct.
