Robbery Suspect Nabbed

Police patrolmen apprehended four armed robbery suspects minutes after the Mohawk Service Station, 18910 Crenshaw Blvd., was held up early Monday morning. Patrolmen stopped the suspect vehicle when they observed the car speed out of the service station at 1:30 a.m., heading north on Crenshaw Boulevard with no headlights. Taken into custody on charges of armed robbery and contributing to the delinquency of minors were Howard R. Davison, 21, of Panorama City, and Robert E. Wertz, 18, of Sepulveda, Calif.

ARRESTED on robbery and runaway charges were 14-year-old brother-sister twins, also from Sepulveda, who told police their mother had booted them out of the house two weeks ago. They said they had been living around the Torrance beach since leaving home. The attendant at the Mohawk station told police that the four had pulled up to the station about 12:30 a.m., making talk with him for an hour before the robbery.

ABOUT 1:30 a.m., he said, one of the older youths asked for some street directions and when the attendant brought out a map, the suspected demanded the attendant's pocket money, holding his hand under his shirt as if gripping a gun. The attendant handed him \$30.

Archery Is Offered to Area Teens

Youth archery lessons will be given to Torrance teens aged 12 to 18 at the Entradero Archery Range, 5500 Towers St., from Monday, July 1, to Thursday, July 18. Two six-week classes are scheduled during this time. One class will be on Monday and Wednesday and the other on Tuesday and Thursday. Both classes will run from 1 to 2:30 p.m. National Archery Champion Marci Roberts will give instruction in both beginning and intermediate archery. She has been teaching youth and adults for eight years in the South Bay area. Participants should register immediately due to a very limited enrollment. Register through the City of Torrance Recreation Department at the Joslyn Center, 3335 Torrance Blvd. A registration fee of \$1.50 will be charged.
