Bargains in Quality Foods

By ARTIE DEE Transportation Editor
The Southern California Rapid Transit District is having a series of meetings to acquaint the public with rapid transit planning.

The 125 commuter line from Rolling Hills Estates provides an excellent, on time service from the communities in the South Bay Area.

The Hollywood Bowl is presenting a season chucked full of memorable attractions. Every thing from long hair to the modern beat, including a night of my old favorites from Gershwin.

Q. Please tell me about the new line I saw advertised in the Press-Herald & Journal. I drive to Los Angeles, and would like to take a bus if one exists. I live in West Torrance, Miss B.L.

A. And all this time I thought the ad was a good one. You can get a new commuter bus in West Torrance on Hawthorne and Carson that will have you in Los Angeles in short order.

Q. Can you tell me how to get from Lawndale to South Gate. I want to visit my sister on Firestone near California Street. Mrs. P.N.T.

A. Take the 5 line to downtown Inglewood and transfer to the 54 line. Ride to Seville and Santa Ana Street and change to the 9 line to your destination.

Q. I want to go to Forest Lawn in Glendale from Inglewood. How long will it take to make the trip? Mrs. A.C.

A. The ride from Inglewood to 7th and Broadway will take you about 50 minutes and another 35 minutes to Forest Lawn. With your transfer, the trip should take about 1 1/2 hours.

Q. Where is the USC Campus and how could I get there by bus from Torrance? I want to attend a symposium on a Saturday and I've never been there before. Can you help? B.J.

A. Catch the Torrance #1 line to 9th and Broadway, walk to either 7th and Broadway or 9th and Grand and catch the RTD 9 line to the Campus. I'll send you a map and timetable.

Send your questions to Artie Dee, Transportation Editor, care of this newspaper. All questions will be answered in the column, or by mail. A system map will be sent FREE to each person writing in. NO STAMPS OR STAMPED ENVELOPES ARE NECESSARY. (Advertisement)
