GET THE HAWTHORNE SAVINGS HABIT

I SMOKE TOO MUCH

saving at Hawthorne is like smoking too much

Once you get the habit, you don't break it. And everything that's bad about one, is good about the other. Get in the habit of visiting Hawthorne Savings every week or payday. It doesn't matter how much or little you save, but make it the same every time. It's the guy and gal who save like clockwork who come out ahead (way ahead, with Hawthorne's high interest rate). Don't let anything stop you. Once you get the habit of saving first, you'll find that other bills have a way of getting budgeted and paid. It's the best way to reach your long-term goals like buying a new car, vacations or retirement. And if you can only stop smoking, you'll save even more!
