Several weeks ago, I called your attention to some real good jobs offered by RTD. They were needing bus operators and diesel mechanics. Well, they still need some of each. Like I said before, if you need a job, or want to better your income, this is your opportunity. These folks aren't fooling; they'll put you to work right away if you qualify. Why don't you give them a call for further information and tell your friends and relatives about this.

I sure opened up a whole new can of beans when I mentioned the possibility of Rapid Transit for Los Angeles County. My mail is full of questions that need answering. The good folks at RTD tell me the big question of Rapid Transit will be answered November 5th at the polls. They went on to say that 89 miles of modern high speed rail Rapid Transit will serve most of the county. The cost to the average citizen will be around \$14 per year. Now I don't know about you, but I waste more than that a year just driving around hunting for a place to park. This is the first time since I can remember that we, the people, have something to vote on and I sure intend to take advantage of it. I am tired of traffic and exhaust fumes.

The new 125 Marineland service is something you should take advantage of if you haven't yet. This line not only provides direct, fast service to Marineland, but also gives the good folks from Palos Verdes, Waverly, Redondo Beach, Manhattan Beach commuter service to and from Los Angeles. The RTD has established special fares (lower than regular fares), faster schedules, air conditioned buses for your convenience. Send for a folder of this service along with your free map. Take Old Artie's word for it, this is good service.

Q. Please tell me the fare from El Segundo to Los Angeles, and how often does the bus run? Mrs. T.M.

A. The fare is 70c, one way, and the 51 line has half hour service.

Q. Can I get from Manchester and Lincoln to the South Bay Shopping Center by bus? Mrs. R. L.

A. The 54 bus at Lincoln and Manchester will take you to Market Street in Inglewood, where you can catch the 5 line to South Bay.

Q. We live in Torrance near 190th Street. How can I get to the City Hall in Los Angeles? C.D.

A. The Gardens Municipal Lines #4 bus will take you to downtown Torrance, where you can catch the Torrance #1 line to Los Angeles. From 9th and Broadway, where the Torrance bus stops, take the 5 line to 1st Street, near the City Hall.

Q. I want to take my grandson to Disneyland by bus. We live in Inglewood near the cemetery on Manchester. Mrs. O.S.

A. If you want a full day, catch the 5 line flyer on Manchester and Crenshaw between 6:30 a.m. and 8:15. Get off at 6th Street and walk east to the terminal and board a Disneyland Flyer. I'll send you timetables and a map.

Send your questions to Artie Dee, Transportation Editor, care of this newspaper. All questions will be answered in the column, or by mail. A system map will be sent FREE to each person writing in. NO STAMPS OR STAMPED ENVELOPES ARE NECESSARY.
