

Foodmobile Sets Three Area Donation Sites

The Red Cross Bloodmobile will visit Burgermaster in Gardena tomorrow in an effort to implement a goal of 1,450 pints of blood set for September. Sept. 18 is the date set for Connel-Douglas Co., and 25 will be "blood donation day" for Harbor General Hospital. More than 900 pints of blood are expected from the sites, according to Mrs. Helmer Andersen, Red Cross blood program chairman for Southern Los Angeles communities. "The Los Angeles-Orange Counties Red Cross Blood Programs provide nearly 200,000 pints of blood annually to more than 200 community hospitals. Those who give protect themselves and their families and at the same time help protect those who need blood.

Art for Fun(d)'s Sake Opening Set Tomorrow

Some 15,000 visitors are expected to show up at Art for Fun(d)'s Sake, sponsored by the Palos Verdes Community Arts Association tomorrow and Friday.

The Arts and Crafts festival, to be shown at Northridge Research Park, will serve as a market place for discerning buyers of art, according to Constance Bigelow, publicity chairman for the event.

Some of the finest artists in the area will be on hand to exhibit and demonstrate their works.

Outstanding sculpture and paintings will be on loan from La Cienega galleries. Stan Kenton has written original music for a group of area amateur musicians—business and professional men—and will direct them in their premiere performance at the festival.

An unusual highlight of the festival will be the children's area. Under the direction of Penelope Greeven, children will create their own art on the spot.
