

Tartar Teen Talk

By Pam Anderson

Parents of football and cross country players attended the Fall Parents Sports Night last Tuesday, Sept. 17, in the boys gym. Parents were informed on what type of training the boys had to go through and the coaches also went over the rules of sports played at Torrance High. This was the first of three scheduled Parents Sports Nights.

Torrance High's drill team and band are gaining quite a reputation. Last Saturday, the drill team and band were invited to parade at the Los Angeles County Fairground at Pomona. The band played the tune "Bravura" while the drill team marched behind. This year the band has reached an all time high of 75 members.

Mr. Spence, the band director, said, "The band is double the size it was last year, due to a large turnover from last year."

THIS SUMMER the drill team performed at two of the Ram games, the first on Aug. 1 at the Anaheim Stadium and the second on Sept. 6 at the Los Angeles Coliseum.

Red Cross Plans Baby Care Class

Residents of Southern Los Angeles communities expecting a baby soon will have a chance to learn to use the tools of baby care from Red Cross.

"This means tools like cotton swabs, bottles, safety pins, diapers, and, of course, the baby," Mrs. Abner Kaplen, chairman of Nursing Programs for the Southern Los Angeles area explained.

"The baby doesn't present too much of a problem as long as he — and mother — are in the hospital," said Mrs. Kaplen. "But eventually the job of caring for baby changes hands—from professionals at the hospital to the amateurs at home."

TO HELP make it easy for new parents to learn, Red Cross offers regular, free courses for them in the area.

The next course will be offered Tuesdays and Thursdays from 10 to 12 a.m. starting Oct. 1 at the Red Cross Service Center, 1499 W. First St., San Pedro.

Educators To Attend Seminars

Three Torrance educators will attend a series of meetings to be conducted by a visiting professor from the University of Chicago in Anaheim during the coming school year.

Attending the "Organizing for Learning" series sponsored by the county superintendents of Los Angeles, Orange, Riverside, and San Bernardino counties, will be Margaret Collin, curriculum consultant; Edwin Brown, principal of Casimir Elementary School; and Dr. Lloyd Jones, assistant superintendent — elementary instruction.

Consultant for the series will be Dr. Herbert A. Thelen, professor of education and author.

Meetings are scheduled for October 16 through 18, Nov. 7 and 8, Jan. 29 and 30, and March 5 and 6.
