The last of the line changes in the current improvement program consists of a minor change on the 117 line in the Whittier, La Mirada area. This change provides for more service in the area of the new Sears store near Carmenita - Telegraph Road for residents of this fast growing section.

The last major addition to the RTD system, for the time being, is the 137 line connecting the aircraft job area of El Segundo, Hawthorne and Inglewood with Lynwood, Downey and Norwalk. This is fast direct service along Imperial Highway east to Norwalk Blvd. terminating at the Metropolitan State Hospital.

The good folks down at RTD are real disappointed about the loss of Proposition "A" on the ballot. The awful truth about the rejection of Rapid Transit, however, is the fact the problem still exists.

The need for some form of rapid transit is as real as before. The thing we must remember, however, is the vote reflects the will of the people and this is Democracy in action. The RTD will continue to explore ways to solve the transportation needs of the southland with all the resources at its command.

THOUGHT FOR TODAY— You've reached middle age when your wife tells you to pull in your stomach — and you already have.

Q. How would I get to Inglewood Park Cemetery from Redondo Beach? Can I get a bus that would take me there by 2 p.m.? Mr. O.L.

A. The 51 line will take you to Manchester and Sepulveda where you can change to the 54 line to the cemetery. Catch the 12:30 bus from Redondo, change to the 1:21 p.m. 54 bus at Manchester and you will get there with time to spare.

Q. I live in Gardena and I want to get to General Hospital in Los Angeles. Can I get there on RTD or do I have to take several buses? Mrs. R.Q.

A. The Gardena 1 line will take you to 6th and Main in Los Angeles, from that point take the RTD 92 line direct to the hospital.

Q. Does Marineland stay open in the winter? I will have relatives here over the holidays and we want to take them a few places. We live near Florence and Crenshaw. Mrs. A. R.

A. Marineland is an all year attraction and so is RTD service. You can catch the 85 on Crenshaw to Manchester. The 54 on Manchester stops at the freeway and the 125 Marineland bus stops at the freeway and Manchester. I'll send you timetables.

Q. I am a student at Dominguez Hills Cal State College. I use the new bus line to the college (the 114 I think), could you tell me how to get timetables to the campus? Miss T.L.

A. I'll not only tell you how, I'll see that they are sent. The RTD appreciates your interest and I am sure they will be sent to you by return mail.

Send your questions to Artie Dee, Transportation Editor, care of this newspaper. All questions will be answered in the column, or by mail. A system map will be sent FREE to each person writing in. NO RETURN STAMPS OR STAMPED ENVELOPES ARE NECESSARY.
