Air Force Unit Plants 'Money Trees' For Hope

By LT. ROGER LEE MACUR
The Air Force Plant Representative Office (AFPRO) at North American-Rockwell Corp., Los Angeles Division, is planning "money trees" in the City of Hope.

Located in Duarte, the City of Hope is a free medical center pioneering work in research, patient care, and education.

Money for the "trees" comes from coupons—The City can redeem them with manufacturers of various products, receiving cash instead of purchase discounts.

THE AFPRO is a unit of Air Force Contract Management Division (AFCMD), which is headquartered at Los Angeles AFS, and has 28 detachments located across the country.

Two months ago, an anonymous AFPRO employe suggested a coupon-collecting program to the Accent on People Board (AOP) of this AFCMD detachment. From his or her idea sprouted a competitive drive among the five AFPRO divisions.

A new "tree" is planted monthly. AFPRO personnel bring in coupons they find in

such places as newspapers, magazines, retail stores, or their own mailboxes. Each AOP representative collects them and records his division's contribution. When the program is one year old, the AFPRO will honor the division with the "greenest thumb."

ACCORDING to Captain Charles Fox, AOP Board member from the AFPRO's development engineering division, interest in the program is swelling.

"People are realizing it's a great way to help a worthy cause," he explains, "because no coins leave their pockets. In the months to come, we expect a rapid rise in the dollar values of our gifts."

Army S/5 Charles E. Dow, 23, son of Mr. and Mrs. Kenneth I. Dow of 21013 Donora Ave., was awarded a Certificate of Achievement Nov. 5 while serving with the U.S. Army Security Agency Field Station near Asmara, Ethiopia.

He earned the award for meritorious service as a maintenance technician with the Office of Operations in the station's Headquarters.
