

Peace Officers to Install Tracey as New President

Newly elected officers for the year 1969 will be installed by the Peace Officers Association of Los Angeles County at its annual installation banquet Friday at the Los Angeles Police Academy.

Entertainment following the installation will be headed by Pat Buttram, television personality, humorist, and columnist.

Roy E. Tracy, Gardena chief of police, will be installed as president to succeed Orval Davis, chief of police of El Monte.

The installing officer will be Judge William B. Keene of the Los Angeles Superior Court.

Other new officers to be installed are: Evelle J. Younger, district attorney, first vice president; James Downey, assistant sheriff, second vice president; Allen Sill, West Covina chief of police, fourth vice president; William J. Kennedy, Inglewood chief of police, marshal; and Everett F. Holladay, Monterey Park chief of police, secretary-treasurer.

Continuing in office for the coming year are: Rev. A.J. Soldan, chaplain; Robert Vallier, legal counsel; and Fred W. Kline, public relations director.

A social hour between 6:30 and 7:30 p.m. will precede the banquet.

Torrance Library Announces Films

Torrance Public Library has announced its January listing of films available to individuals or organizations throughout the city. These films are 16mm sound, and many of them are in color. They are:

Canyon Country (color, 13 min.) — Breath-taking natural phenomena such as the Grand Canyon, Colorado River, petrified forest and painted desert make up this beautiful film.

The Detached Americans (B and W, 33 min.) — A study into the problems of apathy in the United States and what we can do about it. Narrated by Harry Reasoner and written by John Keats.

Hold Back the Sea (color, 29 min.) — A beautifully photographed film about the long fight the Dutch have had to keep out the sea and to reclaim additional land.

Marc Chagall (color, 26 min.) — Narrated by Vincent Price, the academy award-winning film about the renowned modern artist depicts what Chagall intends

and achieves in his paintings. Mysteries of the Deep (color, 24 min.) — This is a film exploration of sea creatures finding food, shelter, and the life-cycle of birth and death.

One Road (color, 25 min.) — Two test drivers on an automobile trip around the world traverse the major highways of the free-world, and even the seldom-travelled routes close to the Russian border.

The Snowy Day (color, 7 min.) — Against the imaginative college background of Ezra Keats' best children's picture book of 1963, a little boy romps through a delightful day, captivated by the wonder of a first snowfall.

Three Trout to Dream About (color, 14 min.) — The camera follows Lee Wolf's skillful maneuvering as he plays three fish through the eddies, pools, and shallows and finally brings them in.

Tight Lines (color, 15 min.) — In fish-famous British Columbia, copious lakes and streams, natural settings of unsurpassed beauty assure a full quota of pleasure for everyone.

The Vatican (color, 54 min.) — A film-tour showing a typical day within the gates of the Vatican. Shows some of the institutions, activities and treasures of Vatican City, as well as leading

churchmen and ecumenists including the late Pope John the XXIII.

John Fitzgerald Kennedy (B and W, 50 min.) — A documentary showing the professional and private life of J.F.K.

Firestick (color, 11 min.) — A delightful children's film depicting life on a volcanic island and how the brother of the volcano god saves a mortal by bringing the gift of fire.

Old Watch Collection Disappears

Some 160 antique watches, valued at \$8,000, were stolen Saturday night from the home of Ervin McGee, 5634 Mirialinda Ave.
