Adventure Films Shown In Friday Night Program

Two films will be shown at the Joslyn Center Friday, as the Torrance Recreation Department once again brings the Joslyn Film Series to area residents. There is no admission charge. Films are geared for family enjoyment including documentary, adventure, science, nature, and humorous films.

This Friday's films will include "One Road," a high adventure story following the journey of two drivers on an automobile trip around the world, traversing the major highways of the free world. "Three Trout to Dream About," the second film, illustrates Lee Wulff's skillful maneuvering to land trout in the eddies and pools of a small stream. The Joslyn Center is located at 3335 Torrance Blvd.

Educators Meet
Representing Torrance Unified School District at the 53rd annual convention of the National Association of Secondary School Principals March 1 through 5 in San Francisco will be Dr. Richard Guengerich, assistant superintendent, secondary education.
