Mr. Reid L. Bundy  
Editor and Co-Publisher  
Torrance Press-Herald

Dear Mr. Bundy:

Our heartiest congratulations to you and your staff on the winning of your recent "General Excellence" Award.

We at Certi-Bond are quite pleased to know that the media we consistently use in our advertising program has been judged "Best in the State of California" in the non-daily newspaper field. As the original discount department store in the South Bay area, Certi-Bond links its success of the past 15 years to our consistent policies of selling only first quality merchandise at the lowest possible everyday prices, of our constant individual attention and service to our many customers and friends, and last, but not least, our association with your outstanding publication.

The Press-Herald has played a key role in our success by providing tremendous local readership for our advertising program.

Again, Certi-Bond sends congratulations. Keep up the good work!

Sincerely yours,

*Julian Hirschman*
