AAUW Fete des Fleurs

The festival will be held Saturday, March 22, from 1 to 4 p.m. in the cafetorium of Marymount College at Palos Verdes. The sisters and students of Marymount are lending their assistance and cooperation in this affair as their donation to the AAUW Fellowships program, which grant national and international stipends for advance study to women on Ph.D. level, ranging from \$3,000 to \$5,000 per year.

The admission ticket entitles the guest to delicious French pastries and beverage served in the French cafe by "French" waitresses. Various booths and stalls line the Parisian street, gourmet delicacies offered by AAUW Gourmet group; Boutique items from the Creative Stitchery group; a book stall, Flea Market style, contains objets d'art, imported items, and handmade flowers everywhere as decoration and for advanced study to women on Ph.D. level, ranging

One painting donated by a Watts artist will be offered for the benefit of the Coretta Scott King Education Fund Campaign, which seeks to raise \$150,000 by June this year for the benefit of education of minority women.

Tickets may be purchased on the day of the event at Marymount College, 6717 Palos Verdes Drive S., or by contacting Mrs. Charles Brashier, 4510 Marloma Drive, Rolling Hills Estates, Mrs. W. Mason, general chairman, or any AAUW member.

Torrance AAUW Benefit March 18

The Fellowships Fund of the American Association of University Women will benefit from the Fashion Show-Dessert to be presented by the Torrance Branch of the AAUW on Tuesday evening, March 18, at 7 p.m. at Bullock's Del Amo.

Mrs. Larry McLaughlin, Torrance Branch Fellowships chairman, has announced that the show is open to all members, prospective members and guests. Music for the show, "Fashion Electrics" will be provided by Harriet Woods, harpist.

The Fellowships Fund is an 81-year-old institution which grants financial awards to women for writing of doctoral dissertations or for post-doctoral research because this is the stage at which it is most difficult for women to find assistance from other sources. For the 1968-69 academic year, over 80 fellowships totalling over \$350,000 were made available to women.

The Torrance AAUW Branch, in its charter year activity, according to Mrs. Richard Odgers, president, "has dedicated itself to the Fellowships Fund as one of the most important ways to promote the purpose of AAUW . . . to enable gifted women to use their intellectual powers for the good of humanity." The fashion show is the second major event of the new branch for the benefit of the fund.

Tickets for the Fashion Show-Dessert benefit may be purchased by contacting Mrs. Larry McLaughlin.

Fashions for Fellowships

So that women from around the world may use their intellectual powers for the good of humanity, Torrance AAUW Branch will stage a fashion-dessert to raise funds for the Fellowship program. Richard Hopkins and Darryl Lee.

South Bay-Palos Verdes Chapters

Stage ORT's Possible Dream

With plans for enrolling the greatest number of new members ever in the organization's history, the members of Women's American ORT in the South Bay and Palos Verdes Chapters will observe ORT Day, 1969, on March 19.

Mayor Isen has issued an official proclamation in honor of this day, paying tribute to the global vocational education and training program of ORT, as will civic officials from coast to coast.

Local ORT Day will include a production called "ORT's Possible Dream," to be presented at the Palos Verdes Library on Wednesday, March 19, at 7:30 p.m. by South Bay and Palos Verdes Chapters of Women's American ORT. The skit will be directed by Mrs. Louis Silberman and the leading roles will be performed by Mmes. Leonard Glatt, Douglas Brill, Jack Fernandez, Milton Birnbaum, and Albert Optican.

"ORT's Possible Dream" will tell the story of ORT (Or-

ganization for Rehabilitation through Training) with its 600 installations in 22 lands. With a current world-wide enrollment of 50,000, the organization has trained more than a million needy and impoverished people since it started in 1880.

ORT's philosophy is dedicated to the proposition that all men are entitled to learn a skill making them economically independent and leading to a life without charity. Those in Women's American ORT are engaged in a great challenge to determine whether they can provide vocational training for all those in need of an education so dedicated to the modern skills to promote a long enduring peace throughout the world.

Information regarding ORT can be obtained from Mrs. Hy Bernstein, South Bay membership vice president or Mrs. Donald Flicker, Palos Verdes membership vice president.
