

SEASON OPENER . . . "Let's Get Organized" tops the list of American Cancer Society education films currently in use by 1969 crusade leaders now preparing for the annual doorbell ringing venture for funds next month. Ready to join the audience as Mrs. Walter Arnold (right), Torrance area residential chairman, begins to run fund-raising strategy film, are Mrs. Ronald Colgan (left), Beach Cities chairman, and Mrs. George N. Epstein, Peninsula area chairman.

Mrs. Arnold Appointed To Lead Cancer Drive

Mrs. Walter Arnold will organize and engineer the American Cancer Society's April, 1969, doorbell ringing crusade throughout the greater Torrance area.

Her appointment as area residential chairman for Hollywood Riviera, West, Central, and North Torrance was one of five such appointments announced this week by Mrs. Sam Whitson, residential chairman for the Society's Centinela-South Bay District.

Getting organized "early and thoroughly" is the strategy which Mrs. Arnold hopes to employ in marshalling community

leaders and some 700 volunteers needed to get the annual doorbell ringing venture successfully underway next month.

She said her "high hopes" for success are based on the expanding interest of community citizens in winning the "fight against cancer." Prospective volunteers wishing to respond to Mrs. Arnold's current call for service next month may contact the District's American Cancer Society office in Lawndale, 16503 Hawthorne Blvd.

The mother of four an employee with Trend Western Tech-

nical Corporations, Mrs. Arnold assumes the area's top crusade spot after two successful terms as West Torrance chairman. She also is a Junior Girl Scout Troop organizer and leader, and is part of St. Lawrence Martyr parish activities.

Mrs. Arnold and her husband live at 22635 Crosshill Ave., with their two sons, John Robert, 12; Bill, 11; and two daughters, Maura Kay, 9; and Karen 5.

Other area chairmanships announced by Mrs. Whitson include Mrs. George N. Epstein, Peninsula area; Mrs. Ronald Colgan of Hermosa Beach, City Cities area; Mrs. Douglas Mattson of Playa del Rey, Centinela Valley area; and Mrs. Albert O. Holzgang of Gardena, Mid-Cities area.

Youth Authority Predicts Decline in Incarcerations

SACRAMENTO — The California Youth Authority's Division of Research has predicted that commitments, which have been on the decline since 1965, will level off during the 1970s with a low of 4,550 expected during the 1969-70 fiscal year.

The all-time high of 6,061 was recorded in 1964-65.

The report states that the total is expected to begin a climb back up to 4,986 by 1974-75 and then level off at 4,951 in 1978-79.

CYA institutions will remain fairly constant, ranging from 3,695 in 1969-70 to 3,632 in 1978-79.

The report is based, in part, on projections that the post-war increase in the juvenile and teen-age population will taper off during the 1970's.

California's population of 10- to 20-year-olds, estimated at 2.7 million in 1960-61, increased to 4 million in the current fiscal year, but by 1978-79 is expected to grow only to 4.45 million.

Teenagers Welcome At 'Groom'

All teenagers from Torrance high schools are invited to participate in the "Groom," a new Torrance Recreation Department program hosting a variety of planned activities on Friday nights.

Friday, March 21, the "Groom" will present its third program this year at the Torrance Recreation Center, 3341 Torrance Blvd., featuring folk singing, dancing to popular music, ping pong, chess, and painting.

The program, scheduled from 10 p.m. to midnight, is designed to create the atmosphere of a coffee house, with espresso coffee, coke, peanuts, and other refreshments served during the evening.

Volunteered ideas and musical talents are welcomed. Mrs. Joanne Loney, teenage coordinator, is in charge of the program.

Accountants Meet

The Long Beach chapter of the National Association of Accountants will meet tonight at 6:30 at the Long Beach Elks Club. W. T. Johnson, vice president in charge of business developments facilities in the International Division of United California Bank, will speak.

Seek Permanent Status For Cabinet Committee

Congressman Glenn M. Anderson (D-17th District) has joined 22 colleagues in co-sponsoring a bill to establish the Interagency Committee on Mexican-American Affairs as a permanent agency of the government.

"Spanish surnamed Amer-

icans must be brought into the mainstream of our society, sharing in the economic, social, and educational benefits," Anderson said. "For too long now they have been denied their fair share of the action."

The bill, he said, would make

the committee a permanent agency of the government seeking to identify the needs of the nation's second largest minority group.

The committee was created in 1967 as a cabinet committee. Its members are the secretaries of

health, education, and welfare; commerce, labor, housing and urban development, agriculture, the director of the Office of Economic Opportunity, and the commissioner of Equal Employment Opportunity Commission.
