Thomas Recovering 'Flower Power' Taught

Assemblyman Vincent Thomas (D-San Pedro) underwent heart surgery at St. Mary's Hospital at Long Beach March 11, his Sacramento office announced today. They said no serious damage was found to the heart. They expect Thomas to return home within a week or 10 days and they anticipate he will resume his full duties in Sacramento shortly thereafter. Thomas expressed gratitude for the many cards, letters and good wishes he has received, but his family requested friends and well wishers to postpone their visits and telephone calls until the assemblyman returns home.

The Harbor Area assemblyman entered St. Mary's March 2 for tests due to a suspected gall bladder ailment. A small gallstone was discovered, but hospital tests also disclosed a circulatory impairment of the heart. An operation was performed March 11 by a team of medical specialists to restore full blood circulation to the major heart muscle. The operation in medical terms is known as myocardio-revascularization, and the Long Beach doctors used the recently developed Vineberg procedure for the operation.

ST. MARY'S Hospital doctors said they are delighted with the success of the operation and

A workshop for adults interested in learning how to create their own "flower power" will be held Friday, March 28, from 9 a.m. until noon. The workshop, sponsored by the Torrance Recreation Department in cooperation with the Los Angeles County Department of Parks and Recreation, will be held at the Recreation Center at 3341 Torrance Blvd. Pre-registration is not necessary. The participation fee is 50 cents which covers materials and a brochure. Children are not permitted at the workshops.

...nothing is certain but death and taxes

Grim thought from B. Franklin, 1789

The thought may not be pleasant. But it's as true today as ever. The certainty of taxes we prepare for. We don't really like to face that other certainty. Yet, a little preparation could be most important to you and your family. Like having additional insurance at a very low rate.
