

# PV Navy Unit Names New Leader

Capt. William F. Fortune USN (Ret.) will be installed as president of the Palos Verdes Peninsula Navy League Thursday, it was announced today.

Outgoing President David K. Hayward, Redondo Beach city councilman, said the installation dinner would be held in Manhattan Beach.

Capt. Fortune, presently serving as chief of the NASA Marshall Space Flight Center West Coast Office, is a 1933 graduate of the U.S. Naval Academy. Upon graduation from the academy he then became a Naval aviator, test pilot, and graduate aero engineer, and received a master's degree from the Massachusetts Institute of Technology in Research and Development.

He was in charge of design of the launch tower for the V-2 off the USS Midway, Operation Sandy, 1947. Later he was one of the Navy's chief proponents for the first United States satellite, Explorer I.

Capt. Fortune's last active duty assignment was on loan from the Navy department to Dr. Werner von Braun as manager of the NASA Mississippi Test Facility during its construction and early activation.

Other incoming officers to be installed during the evening are: Robert L. Mohr, executive vice president; Capt. Richard Brega, USN (Ret.), vice president; Rodman E. Close, secretary; Al F. Cota, treasurer; Robert M. Gray, judge advocate; and Harry L. Bowman, chaplain.

# Pot Luck Event Set By Women

Prospective members and guests of the Del Amo Republican Women, Federated, will be greeted with a pot luck salad lunch, according to Mrs. Jon Armantrout and Mrs. Robert Flora, co-chairmen for the event.

The luncheon is scheduled at 11:30 a.m. tomorrow at the Push Horse Inn.

Membership chairman for the Los Angeles County of Republican Women Mrs. Dale V. Hammond will speak to the group about the role the organization has played in state and national politics since its inception.

All Republican women in the area are welcome to this meeting, according to Mrs. George F. McMullen, president.
