Sick Women Made Well

Reliable evidence is abundant that women are constantly being restored to health by Lydia E. Pinkham's Vegetable Compound

The many testimonial letters that we are continually publishing in the newspapers—hundreds of them—are all genuine, true and unsolicited expressions of heartfelt gratitude for the freedom from suffering that has come to these women solely through the use of Lydia E. Pinkham's Vegetable Compound.

Money could not buy nor any kind of influence obtain such recommendations; you may depend upon it that any testimonial we publish is honest and true—if you have any doubt of this write to the women whose true names and addresses are always given, and learn for yourself.

Read this one from Mrs. Waters:

CAMDEN, N. J.—"I was sick for two years with nervous spells, and my kidneys were affected. I had a doctor all the time and used a galvanic battery, but nothing did me any good. I was not able to go to bed, but spent my time on a couch or in a sleeping-chair, and soon became almost a skeleton. Finally my doctor went away for his health, and my husband heard of Lydia E. Pinkham's Vegetable Compound and got me some. In two months I got relief and now I am like a new woman and am at my usual weight. I recommend your medicine to every one and so does my husband."—Mrs. TILLIE WATERS, 1136 Knight St., Camden, N. J.

And this one from Mrs. Haddock:

UTICA, OKLA.—"I was weak and nervous, not able to do my work and scarcely able to be on my feet. I had backache, headache, palpitation of the heart, trouble with my bowels, and inflammation. Since taking the Lydia E. Pinkham's Vegetable Compound I am better than I have been for twenty years. I think it is a wonderful medicine and I have recommended it to others."—Mrs. MARY ANN HADDOCK, Utica, Oklahoma.

Now answer this question if you can. Why should a woman continue to suffer without first giving Lydia E. Pinkham's Vegetable Compound a trial? You know that it has saved many others—why should it fail in your case?

For 30 years Lydia E. Pinkham's Vegetable Compound has been the standard remedy for female ills. No one sick with woman's ailments does justice to herself if she does not try this famous medicine made from roots and herbs, it has restored so many suffering women to health. Write to LYDIA E. PINKHAM MEDICINE CO. (CONFIDENTIAL) LYNN, MASS., for advice. Your letter will be opened, read and answered by a woman and held in strict confidence.

Strawberry Basket.
Make a good sponge cake. Here is one good recipe: Beat the yolks of three eggs till they are very light; add a small cupful of sugar and very gradually half a cupful of boiling water. Sift one teaspoonful of baking powder with one cupful of flour, and add this by degrees; last of all mix in the stiffly beaten whites of the eggs. Bake in individual tins. When cold cut a piece from the center of each. Fill this with preserved strawberries and put whipped cream all around them and cut strips of lemon peel to form handles.

Putnam Fadeless Dyes are the easiest to use.—[Adv.]

Lemon Biscuit.
One cup lard, three cups white sugar, one pint sweet milk, two eggs, pinch of salt, five cents' worth of carbonate of ammonia, five cents' worth of oil of lemon. Dissolve ammonia in milk, mix stiff enough to handle easily, roll one-fourth inch thick. Pick with fork and have oven hot. Get the ammonia and lemon at the druggist's.

Sore Eyes, Granulated Eyelids and Sides promptly healed with Roman Eye Balsam. Adv.

Final Disposition.
"Has Dobbs disposed of his motor car?"
"Yes."
"I was not aware that he had disposed of it."
"Oh, yes. He disposed of it one morning between the hours of three and four o'clock, in a deep gully about ten miles east of town."

On the Links.
Golfers—I'm sorry to trouble you, madam, but you are directly on the line of our drive. Will you kindly move one way or the other?
Woman (comfortably seated on the ground)—Certainly not. I heard you shout very rudely, but I've no intention of moving. I should have thought that a gentleman, when he saw me here, would play the other way.—Loudon Punch.

WOMEN SUBJECT TO KIDNEY TROUBLES

I beg to say that I have been a constant sufferer with severe pains in my back and was on the verge of nervous prostration resulting from kidney trouble and other complications. A friend of mine recommended Dr. Kilmer's Swamp-Root as a sure cure for these troubles. Acting upon her advice I began taking Swamp-Root and began to improve before I had finished the first bottle. I continued its use until I had taken several bottles and continued to improve until I was completely cured. I am happy to say that I am as well as any woman on earth and have been so for the past nine years, thanks to Dr. Kilmer's Swamp-Root, and I cheerfully recommend it to all who suffer from kidney troubles.

Very truly yours,
MRS. ALVA BAXTER,
407 Cypress St., Orange, Texas.
Subscribed and sworn to before me this 21st day of March, 1912.
JOHN J. BALL,
Notary Public.

Letter to Dr. Kilmer & Co., Binghamton, N. Y.

TAKES OFF DANDRUFF, HAIR STOPS FALLING
Save your hair! Get a 25 cent bottle of Danderine right now—Also stops itching scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scourge. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.
Get a 25 cent bottle of Knowlton's Danderine from any drug store. You surely can have beautiful hair and lots of it if you will just try a little Danderine. Save your hair! Try it.—Adv.

Light Fingert One.
"To succeed in life," said the sage, "a man should have the world at his finger tips. He should keep in touch with his fellow men."
"That's right," agreed the stranger.
"Are you a student?" queried the sage.
"No," replied the stranger. "I'm a pickpocket."

Building Up the Dairy Herd.
Buying cows and selling them as fast as they stop milking never built up a high-class dairy business. The city milk producer is not a true dairyman; he is more a speculator in feeds and cows.

IF YOUR CHILD IS CROSS, FEVERISH, CONSTIPATED

Look, Mother! If tongue is coated, cleanse little bowels with "California Syrup of Figs."

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste, sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again.

Sick children needn't be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups.—Adv.

New Washing Machine.
The vacuum principle in cleaning has invaded the laundry. Formerly washing machines were arrangements of cogs that rubbed the clothes as they would be rubbed on a board; next the perforated cylinders, which were turned by water or other powers, appeared. The latest device is a tin affair that can be put into any clothes boiler, and works exactly like a coffee percolator.

Lives That Help.
Certainly, in our own little sphere it is not the most active people to whom we owe the most. Among the common people whom we know, it is not necessarily those who are busiest, not those who, meteoric, are ever on the rush after some visible change and work—it is the lives, like the stars, which simply pour down on us the calm light of their bright and faithful being, up to which we look and out of which we gather the deepest calm and courage. It seems to me that there is reassurance here for many of us who seem to have no chance for active usefulness. We can do nothing for our fellow men. But still it is good to know that we can be something for them; to know (and this we may know surely), that no man or woman of the humblest sort can really be strong, gentle, pure and good, without somebody being helped and comforted by the very existence of that goodness.—Exchange.

Put an end to stomach trouble forever by getting a large fifty-cent case of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion. A Novel Feature.

"Want time in vaudeville, eh? Are you a baseball player?"
"No."
"Shoot somebody?"
"Never."
"What are you, then?"
"Merely an actor."
"An actor, eh? Well, I don't know. Actors are unusual in vaudeville, but the very novelty of the thing might make it a go."

Cheap Filler.
"How do these poets make a living, anyhow?"
"Oh, there is always a market for poetry. It is cheaper than drawing to fill in with."

to boys, because girls are too easily recognized by the way they do up their hair, and besides girls do not make good villains for detectives to hunt.

Mothers will find Mrs. Winslow's Soothing Syrup the best remedy to use for their children during the teething period. (adv.)

It's Nature.
"Isn't it dreadful that the English suffragettes commit so much arson?"
"Yes, indeed; it is a burning shame."

Move the Carpet.
Every now and then, instead of allowing the stair carpet to remain in exactly the same position as first placed, the tread of the carpet should be moved a couple of inches or so either up or down. This has the effect of keeping the pile of the carpet in a uniform condition, and, besides retaining the fresh appearance of the carpet, it helps it to last much longer than it would if left exactly as laid. It costs nothing to do this, yet saves much.

Add the dumplings 15 minutes before the stew is done.

Gets Right Twist On Rheumatism

Makes Short Work of Cleaning Out Your Entire System—Aches and Pains Go Fast.

In S. S. S. You Get a Twist on Rheumatism That Settles It.
Many a rheumatic sufferer has been to the drug store for a bottle of S. S. S. and been handed something claimed to be "just as good." Truly, to ask for bread and be given a stone is still in practice. If you are troubled with rheumatism in any form be sure to use S. S. S. and note its wonderful influence.
S. S. S. has the peculiar action of soaking through the intestines directly into the blood. In five minutes its influence is at work in every artery, vein and tiny capillary. Every membrane, every organ of the body, every emunctory becomes in effect a filter to strain the blood of impurities. The stimulating properties of S. S. S. compel the skin, liver, bowels, kidneys, bladder to all work to the one end of casting out every irritating, every pain-inducing atom of poison; it discharges by irrigation all accumulations in the joints, causes acid accretions to dissolve, renders

them neutral and scatters those peculiar formations in the nerve centers that cause such mystifying and often baffling rheumatic pains.
And best of all this remarkable remedy is welcome to the weakest stomach. If you have drugged yourself until your stomach is nearly paralyzed, you will be astonished to find that S. S. S. gives no sensation but goes right to work. This is because it is a pure vegetable infusion, is taken naturally into your blood just as pure air is inhaled naturally into your lungs.
