TORRANCE NEWS

Mrs. G. M. Pruitt of Gramercy
avenue was a guest of her son, B.
C. Pruitt and family, at Hermosa
Beach Sunday.

Mr. and Mrs. Bob Wood motored
to Los Angeles Saturday and visited
the later's sister, Mrs. C. W.
Emerson and their nine pounds
daughter, born on Tuesday, March
14.

Mr. and Mrs. C. E. Tolson were
guests Monday evening of Mr. and
Mrs. J. S. Tolson in Los Angeles
and celebrated the second birthday
anniversary of their little daughter,
Elsie May.

Mr. and Mrs. H. Bale and
Ethel and Homer were Saturday
evening dinner guests of Mr. and
Mrs. Fred Tourtellotte. They at-
tended a show in Los Angeles later
in the evening.

Mr. and Mrs. Forrest Young of
Cota avenue entertained, Mrs.
Young's parents, Mr. and Mrs. L.
Sexton of Anaheim and Mrs. M. A.
Turner of Los Angeles at a dinner
party Wednesday evening in honor
of their little daughter's second
birthday anniversary.

Mr. and Mrs. D. G. McDonald
and children of No. Narbonne ave-
nue, Lomita, Miss Stella Munger
and Miss Viola Sexton of Los An-
geles, with Mr. and Mrs. F. Young
and daughter of Cota avenue pic-
nicked Sunday on the sands near
Redondo Beach.

Mr. H. Bartlett reports a very
thriving business done at the San
Bernardino Orange Show with his
black walnut, Kisses. He has added
light lunches and cool drinks to
his confectionery business, and a
thriving trade is reported.

F. L. PARKS BUILDING

The new home of the F. L. Parks
plumbing shop is well under way.
Mr. John Holm, contractor for the
new building, expects it to be
completed by first of June ready for
occupancy. The entire ground floor
is to be used for the plumbing busi-
ness, with the exception of Mr.
Holm's office space. The building
is to be two-story brick, 60 feet by
36 feet.

The second floor will be a mod-
ern five-room apartment to be oc-
cupied by Mr. Park's family.

**MORE HOUSES NEEDED IS THE
VITAL PROBLEM**

Mr. George M. Kinserr of Los
Angeles called on the Herald last
Friday and in consultation ex-
pressed himself as sanguine of the
future of Torrance as he is also
pleased with the appearance of
business conditions and the growth
of the town since his last visit
here two years ago to look after
his property interests. The early
development of Palos Verdes and
the investment of thirty-five mil-
lion dollars to make it the finest
residential city in the world would
enormously stimulate the further
development of Torrance. Anyone
conversant with conditions will
agree with Mr. Kinserr in this, who
also said that the housing problem
is the main thing to place Torrance
far in the lead, when housing con-
ditions provide homes and home
life for the scores of hundreds of
factory people who would like to
locate in a town of their choice.
