There is more Catarrh in this sector of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribe local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. "Send for circulars and testimonials."

**WINS VALUABLE PRIZE IN  
BIG SALESMANSHIP CONTEST**

Mr. E. J. Bell of Gardena, who sells the Rawleigh Good Health Products in Gardena and Torrance, is being congratulated by his friends for his success in winning a valuable prize in a three months' salesmanship contest conducted by his company. This is both an honor and a distinctive achievement, for there are nearly 5000 people in all parts of the United States and Canada engaged in distributing the products of the W. T. Rawleigh Company direct to the homes of approximately 20,000,000 users. The contest continued from October 1 to December 31, and the prizes were awarded to those retailers who secured the "largest number of points for sales, collections, days of selling, payments made, prompt reporting and recruiting new sales people.

The prize won by Mr. Bell is a beautiful and valuable imported vase, which he highly prizes as a souvenir of his successful participation in so large a contest.

Mr. Bell has been selling Rawleigh products for eight months, calling upon his customers about four times a year.

Customers of Mr. Bell are especially pleased with his success and good fortune in winning such a prize.

**WOMAN'S CLUB**

The Torrance Woman's Club, although just one year old, has proven itself a power for good in the community.

Seventy-nine members and almost as many non-members of the community were brought into closer fellowship with one another.

The programs of each meeting were planned to be helpful and instructive to everyone. During the primaries the club instructed the women voters on the issues to be voted upon. For the Torrance Festa, under the auspices of the Chamber of Commerce, the club organized a community chorus of seventy-five voices, under the direction of Madam Canarro Carlson. The sum of \$10.50 was given to the city to help care for and replace the town flag. Sixty dollars a year was pledged to the Near East Relief. The club meetings were moved from rooms which had been donated to the American Legion Hall in order to help the boys pay for their piano. The club was influential in securing the same corps of teachers for the public school as the previous year and thereby eliminating the necessity of breaking in a new corps of teachers at the beginning of the new term of school.

**ANNOUNCEMENT**

Changes in partnerships and the forming of new firms marks the notable events in Torrance's automobile industry the past week, when the announcement was made yesterday that the firm of Rahm & Dial had been dissolved and Floyd Rahm had joined the firm of Rahm & Getman. The trio have taken over the garage formerly known as Zuvers and will devote their entire time to sales and service of the Overland and Willy-Knight autos. A large and extensive stock of accessories will be added and many changes made in the interior of the garage to care for their large business that has been developed within the past sixty
