There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. *Send for circulars and testimonials.

AN OLD-TIME PARTY

Everett Richart was given a very pleasant surprise on Tuesday evening when about thirty-five neighbors and friends arrived at his home in Vista Highlands. The large hay barn was prettily decorated, and all gathered there for an evening of old-time games. Old-time refreshments were served in the old-time way, and everybody had a royal good time.

I will give \$250 for information leading to the arrest and conviction of the cur or curs who deliberately threw out the poison which caused the death of any dog in the south end of Lomita.

BUILDING PERMITS

The building permits for Torrance last month ran up to \$40,000. And Torrance has just started.

Mr. and Mrs. M. D. Pottenger, Mr. and Mrs. F. L. Parks, Mr. and Mrs. A. Shriner, Mr. and Mrs. P. G. Briney, Dr. and Mrs. Neelands and Mr. and Mrs. R. J. Rogers of Anaheim attended the performance at the Mason Theatre, Los Angeles, Friday evening and saw Kolb & Dill in the play "Give and Take."

You know, and so does practically every man, woman and child in the world, the fascinating story of "Rip Van Winkle." And so, of course, it will interest you to learn that "Rip Van Winkle" has been made into an engrossing motion picture by Director Ward Lascelle, and will be shown at the Torrance Theatre Saturday, April 15.

BLOOD OATH IS BASIS OF FILM FOR POLA NEGRI

The attraction at the Torrance Theatre for two days, commencing on Saturday, April 22, will be the famous continental star, Pola Negri, in her latest picture to be shown in this country, a story of love and passion called "Vendetta."

As the title indicates, it is a picture of Corsica, that little known and mysterious island, where the people right their own wrongs without recourse to law, based on the old Mosaic law of an eye for an eye, a tooth for a tooth, and life for a life.

This custom in Corsica dates from the early settling of the island in 569 B. C., and has been strictly adhered to these hundreds of years with a fervor of a religion. It is as much a part and parcel of the daily lives of the people as their bread and butter.

In the picture Pola Negri is a wealthy young Corsican girl, the daughter of one of the oldest families in the island. Her brother is killed in a duel by an officer of the English battle cruiser "Victory."

Over the dead body of her brother Pola Negri swears the blood oath of vendetta.

The picture contains some of the most dramatic situations ever seen upon the screen. It has one big scene in which Pola Negri covers herself with glory and reaches new heights of dramatic triumph.
