Fortune favors us in having a well planned city, and we are doubly fortunate in having an able corps of city planners on the job at the present time, understanding our needs and telling the world in a concise and businesslike way to come and see us.

Every business man will tell you that by far the larger part of the key to success is the securing of a good location and one casual glance at the map will convince the most exacting man that we have not only the ideal but a vitally strategic location for building a great city.

A MESSAGE From The Chamber of Commerce in Five Parts

ONE PART EACH DAY THIS WEEK

1st, Definition—2nd, Scope—3rd, Administrative Machinery—4th, Consultation of Membership—5th, Program of Work, and Revenue. Every person in any community benefits either directly or indirectly through the activities of the Chamber of Commerce, and by reason of that fact, should support it; financially, physically, mentally, and morally.

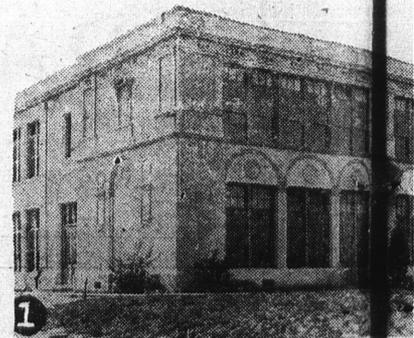

We will tell you this week, in this space, what a chamber of commerce is and how it operates. Study this message and consider yourself a committee of one to secure one new member for the organization that is working night and day to make your city a better place in which to live, do business and raise your family.
