### LOMITA'S "DRY RIVER"

The "dry river" running across Narbonne at Weston street, Lomita, is the cause of much comment from everyone here, as well as from autoists who drive through the town, and the impression they carry away is not doing Lomita any good. Perhaps nothing will be done, although promised, until a serious accident occurs. Then everybody will get busy. Officials of the County Road Department in Los Angeles should be induced to cover this ditch at once.

### "THUMBS"

"Thumbs" will be the peculiar but interesting theme which Rev. A. Riegler will discuss Sunday evening at the First M. E. church. More than 3000 verses from the Bible deal with this subject. Scribes and Pharisees will probably not enjoy this address. But the humble and contrite heart will realize that there is more than one thought connected with the thumb. The man without thumbs has a limited capacity for work. The soiled thumb indicates a soiled life. There are stiff thumbs, crooked thumbs, clean thumbs, straight thumbs, each speaking of a life we live. Are you dissatisfied with the church? Come and find out what your thumb has to do with it.

Mr. and Mrs. H. R. Hutchins and children of Andreo avenue were Thanksgiving guests of Mr. and Mrs. Frank Moore of Los Angeles.
