At the morning service Rev. S. T. Montgomery, one of the leading temperance men of the state, will present the wet and dry situation and will tell of the iniquitous plot being formed to thwart the will of the people of America and to defeat the purpose of the Volstead law. The service will be patriotic, and all ex-service men are cordially invited to be present.

Methodist Church

Every seat in the new church was occupied last Sunday night, and all extra chairs taken. The orchestra gave a very fine program, and the people were delighted. Mr. Ulmer, who leads the great orchestra in First church, Los Angeles, with the Ulper family of five members, used to play in Dr. Morris' church in Omaha, Neb.

Next Sunday being Armistice Day, this church will have a special Armistice Day program Sunday evening. Rev. Morris will deliver an address on "Abraham Lincoln—Prophet of Freedom." Mr. Lincoln was the typical American, and the lessons of his life are worthy of emulation. All patriotic societies and citizens are cordially invited to this service.

Sunday morning the pastor will give a brief sermon on "The Bread of Life," to be followed by holy communion. All members are urged to be present.

Next Monday evening the pastor and wife will entertain the officials and their wives and husbands at the pastor's apartments.

All members and friends, and especially strangers, as well as those who have in any way assisted us in this enterprise, are cordially invited. No formal invitations are being sent out, but the invitation is general. No charge or admittance whatever. Come, young and old.

The Sunday school took an upward leap last Sunday. There are classes for all ages. A new young men's

LOMITA COMMUNITY CHURCH

Last Sunday completed one year in the new church building. The pastor gave an anniversary sermon. There have been 25 additions to the church membership during the year. With the new and enlarged equipment the Sunday school has grown from an average attendance of 150 to 225.

There are ten classes in the beginners' and primary departments, and sixteen in the junior, intermediate, senior, and Bible class departments. With more teachers, more pupils could be cared for.

The coming of the oil derricks is changing Lomita into an oil well camp. As the derricks have come into North Lomita many families have moved to South Lomita, or away from Lomita altogether. If all Lomita becomes one vast oil field the character of the community will be changed. Many families have come into possession of large sums of money. Mortgages have been paid off, and more comforts have come into the home. For this we are glad and rejoice. Our church debt will be paid more easily and more quickly than we anticipated a year ago.

Only time will tell what Lomita will become. Our present duty is to stand by the Lord's work. Our children, boys and girls, must be taught religion. Tomorrow will be too late. Jesus said: "I must work the works of Him that sent me while it is day; the night cometh, when no man can work."

Keystone dance, Saturday night.

THE UNIVERSAL CAR

New Touring Car

Looking at the new touring car from the side, you are at once favorably impressed with the effect of longer, more graceful lines secured by enlarging the cowl and raising the radiator.

Slanting windshield and one-man top lend material aid in giving the entire car a lower, more stylish appearance.

An apron connecting the radiator with the fender skins is also a decided improvement.

A comfort feature much appreciated by owners, is the additional leg room provided by the enlargement of the cowl.

Allow us to show you the entire line of new Ford cars now on display in our show room.

These cars can be obtained through the Ford Weekly Purchase Plan.

**STRANDED
In the Middle of a Desert!**

These days we seem to hear a good deal about being in the middle of a great desert. But it isn't very serious. It is nothing compared to the real thing. It is nothing compared to being overwhelmed with real, pressing obligations and nothing with which to meet them.

The man who keeps a well tended savings account is never financially stranded. He has no debts he can't meet and he is on the way to independence.

Today is the time for you to start!
