Among the many well known residents of this city who spent the last week-end and Labor Day away from Torrance, were Mr. and Mrs. H. Dairyman Is Arrested On Felony Charge

J. A. Erving, a dairyman on the Carson ranch, was arrested Wednesday by officer B. M. Anderson, charged with having passed worthless checks.

The complaint was sworn to by Charles E. Whitehead, who claims that Erving gave him a check on a Gardena bank for \$17 in payment for some feed for the latter's cattle, and that the check was returned marked "no funds." At the time the complaint was made two other checks, aggregating about one hundred dollars, and drawn on the same bank by Erving, were brought to the attention of Judge King by a former employe of Erving, and a man whose name could not be learned. Both of these checks were also marked "not sufficient funds" and will, it is said, be used in Erving's prosecution.

Cash ball in the sum of \$500 was furnished by Erving, who is to appear for hearing today.

In commenting on the case, Judge King stated that check "kiting" was becoming almost epidemic in Torrance, and that the Erving case was the fifth alleged attempt to secure money through worthless checks, so far this month.
