

\$7000 To Repair Western Avenue

President of the Chamber of Commerce Alfred Gourdir was in receipt of a letter Tuesday informing him that the County Supervisors of Los Angeles county had appropriated the sum of \$7,000 for the repair of Western Avenue from 190th street to Electric Avenue.

While this sum is entirely inadequate to finish the half mile strip that has been an eyesore to motorists coming to Torrance and the Harbor District by way of Western Avenue, it will, according to Mr. Gourdir, be ample to give the road a rock foundation with an oiled surface that will make the road passable during the rainy season.

According to the notice received by Mr. Gourdir the Board of Supervisors agree to spend \$150,000 out of its automobile fund this year for the improvement of the following main-traveled streets of the city of Los Angeles, provided the city will give one-third and the state one-third of the cost of building the bridge at Pacoima at a cost of \$2,000. The county will give the other one-third of this amount.

The Board of Supervisor's offer includes expenditures of the following amounts on the following roads:

Cahuenga Pass	\$100,000
Glendale Boulevard	10,000
Palms and National Blvd.	10,000
Western Avenue	7,000
Indiana Street	15,000
Alhambra Avenue	8,000

The city and county officials expect to arrive at an agreement on these projects.

Speed 'Bugs' Enrich Treasury

About fifteen speedsters enriched the Torrance treasury more than \$90 Friday and Saturday last when haled before Police Judge King by Policeman Anderson, charged with exceeding the speed limit on Arlington Avenue.

On being or otherwise disposing of each defendant the latter was informed by Judge King that hereafter the fines would be imposed according to the following schedule: For driving at a speed of thirty miles, a ten-dollar fine would be levied; from thirty to thirty-five miles, \$15; from thirty-five to forty miles, \$20, and for a speed of forty miles or more, \$25 would be collected. One of the speed "bugs" arrested plead guilty to having driven at a speed of forty-two miles an hour, and was fined the maximum—twenty-five dollars.

Mrs. F. L. Parks and mother, Mrs. Zada Hastings, were dinner guests of Mr. and Mrs. A. Shriner at Hammerton, Tuesday evening.

RECOMMENDATIONS

The Forum meeting last Monday night resulted in many valuable suggestions, some of the most important ones being as follows:

"Why not have a committee of welcome to greet newcomers to Torrance and extend them the glad hand of fellowship?"—Sam Rappaport.

"It seems to me that a committee to promote confidence in the chamber of commerce would be in order."—W. T. Klusman.

"Participation in the affairs of the chamber by the entire membership will do more than any other one thing to strengthen confidence."—G. R. Steiner.

"This organization is not dead, but merely working under a new plan. Let's have a get-together meeting."—J. M. Fitzhugh.

"A recommendation left in the office by former Secretary Pottenger provides for the appointment of Twenty-five committees, covering every angle of chamber of commerce work."—Alfred Gourdir.

KEEPING STEP WITH THE AMERICAN LEGION AUXILIARY

The Red Cross Roll Call for this year is in the hands of the American Legion and Auxiliary, and starts with Armistice Day (November 11th). Every effort will be made by this organization to have a very successful drive, and we ask the cooperation of everybody.

Buy your membership early.

Next regular meeting—Time, 8 p. m. Monday, November 13. Place, Club Room, American Legion Hall. Important!

The forty ex-service men at Compton Sanatorium have been made the official charge of the Torrance Unit, and now with the approach of winter, much will have to be done for these mind patients, as they must spend a great deal of time indoors. We must think of means of entertainment for them. Save all your magazines and discarded Grafanola records.

Our president, Mrs. J. Wallace Post, gave a short talk on the California bond issue for ex-service men and women at the Woman's club on Monday.

Our Unit is one year old this week, and the Secretary and Temporary Historian, Mrs. H. F. Rees, is preparing a history of the activities of the Unit since its organization. The initial year has been a wonder. Let's "carry on" for next year.

FORD GARAGE BUILDS

Shultz, Peckham & Shultz are building a 38x90 addition to their garage. Construction to be of sheet iron. Paul C. Morse and Andy Anderson are doing the work.

Mr. and Mrs. F. L. Parks entertained Mr. and Mrs. C. H. Bennett of Los Angeles at their cabin in Topanga Canyon over Sunday.

KEYSTONE CHATTER

Mr. and Mrs. C. E. Chambers of Wilmington and Myler entertained Mr. and Mrs. George Couler last Sunday at dinner. In the evening they motored to Hollywood, where they witnessed the presentation of "Robin Hood" at the new Egyptian Theatre.

Mr. and Mrs. E. D. Cogswell spent last Sunday with Mrs. Cogswell's sister, Mrs. F. C. Walter, in Los Angeles. The occasion being a birthday dinner for Miss Helen Walter.

Mrs. Watson and son, Tom, have moved from their place on Wilmington street to their new place in Torrance Park. Tom has built a dandy little house on his city lot, and right away moves out of the country into the city.

Mrs. Paul C. Morse and two boys spent last Sunday at El Segundo with Mrs. P. A. Brittain, her sister, Mrs. J. J. Swartsbaugh and family, of Santa Ana, were over. It being a double birthday, a double dinner was served. Mrs. Swartsbaugh, being mother, Mrs. Brittain and her the honor pair. Twenty-two places were set at the table.

Indications are good for more prosperity for Keystone. A six-inch oil line is being laid from the Torrance oil fields to the General Petroleum tanks on Ocean Avenue. It is understood that a gas line will follow at once.

SEE "TAHQUITZ"

Mr. and Mrs. Frank Sammons motored to Palm Springs last Sunday morning to witness the famous Indian play, "Tahquitz," staged in a picturesque "bowl" with a beautiful setting in the canyon. Just as the sun became hidden behind the mountains in the background an ensemble of actors of the tribal days of seven tribes of natives of this continent came out to stage the now famous play. Mr. and Mrs. Sammons are enthusiastic over the attraction and feel that the trip though a long one, was well worth the drive.

Ten Indians of the Sherman Institute at Riverside took part. The play takes place in prehistoric times in Tahquitz Canyon. The author has endeavored to present a dramatic version of the local tradition rather than an accurate picture of Indian customs and manners.

The play is given under the auspices of the Desert Play Association.

FIRST BAPTIST CHURCH OF TORRANCE

"The Church of the Open Bible." The pastor will preach at both services, Sunday, in the morning on, "A Bunch of Heavenly Grapes," and in the evening, "What the Excavators Found on the Church Lot."

There will be music by the choir, and you are cordially invited to attend both services.

The new heating plant has been installed, and is in good working order. This insures your comfort.

"And this is life eternal, that they might know Thee, the only true God, and Jesus Christ, whom Thou hast sent."—John 17:3.

Rev. Stanley H. Thorpe, pastor

Christ Episcopal Mission.
Torrance Auditorium, 9 a. m. Morning Prayer and sermon.
Rev. Thos. P. Swift, Rector.

PUT CREAM IN NOSE AND STOP CATARRH

Tells How To Open Clogged Nostrils and End Head-Colds.

You feel fine in a few moments. Your cold in head or catarrh will be gone. Your clogged nostrils will open. The air passages of your head will clear and you can breathe freely. No more dullness, headache; no hawking, snuffing, mucous discharges or dryness; no struggling for breath at night.

Tell your druggist you want a small bottle of Ely's Cream Balm. Apply a little of this fragrant, antiseptic cream in your nostrils, let it penetrate through every air passage of the head; soothe and heal the swollen, inflamed mucous membrane, and relief comes instantly. It is just what every cold and catarrh sufferer needs. Don't stay stuffed-up and miserable.
