**Putting Curtains on Rods.**  
When putting curtains on rods put your thumb over the end of rod and you will have no trouble with curtain catching.

**The First Christmas Cards.**  
Christmas cards printed for sale were first struck off in 1847. The first year, not more than 1,000 were sold. Today, millions are used.

### A HINT TO MEN

WHEN she tells you she doesn't want you to bother about giving her a Christmas present don't pay any attention. You know yourself how hurt you would be if she didn't get you one of those ties about which you could boast to your men friends that "you had to wear it once just so the little girl's feelings wouldn't be hurt." And you know, and they know, that you want to let the world know that the "little girl" struggled with the other women to get to the center of the tie counter so she could pick out something for you in her sweet and loving ignorance.

### You Bet Santa Was Here

### The Christmas Tree

MAKE extra stockings for the tree from bits of old window curtain, net, or even mosquito netting. Fill them with candies, popcorn, or nuts. They may be cut over baby's stockings as a pattern and the children will enjoy overhand stitching the edges with bits of yarn. Strings of popcorn or cranberries make gay festoons for the tree and afford occupation for little folks who will "get under foot" at this busy season.
