Rich Table Scarfs

Very handsome scarfs for the library table are made of black velvet with an applique of wide brocaded ribbon down the center. They are a little shorter than the table and have fish-tail ends with a silk tassel pendant from each point.

VISION

LAST night I crept across the snow Where only tracking rabbits go, And there I waited, quite alone Until the Christmas radiance shone.

At midnight twenty angels came, Each white and shining like a flame, At midnight twenty angels sang, The stars swung out like bells, and rang.

They lifted me across the hill, They bore me in their arms until A greater glory greeted them, It was the town of Bethlehem.

And gently, then, they set me down, All worshipping that holy town, And gently, then, they bade me raise My head to worship and to praise.

And gently, then, the Christ smiled down, Ah, there was glory in that town! It was as if the world were free And glistening in purity.

There, in that vault of crystal blue, It was as if the world were new, And myriad angels, file on file, Gloried in the Christ-child's smile.

It was so beautiful to see, Such glory for a child like me, So beautiful, it does not seem It could have been a Christmas dream!

—John Farrar, in The World Magazine.

When Removing Seeds. Use a fork to remove seeds from oranges or grapefruit. The result is most gratifying, as there is no waste of the precious juice as when a knife is used.

A FIERCE ONE
"I'm going to give you a necktie for Christmas."
"Don't do it; I haven't lived down the one you gave me last Christmas."
