**PENNSYLVANIANS PICNIC**

All who ever lived in the Keystone state are invited to a great picnic reunion, all day, Saturday, March 10, 1923, in Sycamore Grove Park, Los Angeles. Come as early as you can and spend the day with friends. We will have county registers and headquarters so you can find the old neighbors even with thousands present. There will be a brief program but the main purpose will be to have a good time and to meet your friends from all over the old home state as well as our residents so as to make this the greatest picnic in our history. Bring well filled baskets. Coffee will be served free to all who buy souvenir badges.

**STAG DINNER**

Friday evening Professor and Mrs. Guy Mowery gave the 110-pound and 130-pound basketball teams of the high school a five-course stag dinner in honor of their victory in the two last games played.

The guests were seated at a beautifully appointed table, decorated with flowers. From the centerpiece, which was a basket ball resting on grey crepe paper, surrounded by scarlet paint brushes, were two large pennants with large red T's extending the length of the long tables. The place cards were gray with the large red T. Bowls of mixed wild flowers from the Palms Verde hills were placed at the ends of the table. The guests were Robert Lessing, Clifford Simpson, Clifford Grant, Harry Kiyomura, Turner McLean, Charles Poole, Clarence Mills, Don Sautter, Harold Romaine, Frank Perkins, Otis Sartin, and Mayor J. M. Fitzhugh, the only guest not a member of the team.

After dinner songs were sung and games played.

**TOGGERY'S NEW SIGN**

Both the Torrance Toggery and Hart Schaffner & Marx are being well advertised with a new electric sign that was installed Tuesday at the corner of Sartori and El Prado. The sign is both ornamental and useful and with its varied colors makes the popular Toggery the center of interest after dark.
