Get Busy If You Want a Cedarpines Park Cabin Site

The Fish are Biting, the flowers are blooming, the ferns are knee high and all nature is clothed in beauty to attract the eye. The Roberts', Tolson's, Von Hagen's, Fess', Muellers', Moore's, Sharp's and several others from Torrance and Lomita are building or preparing to build their cabins now.

My urgent recommendation to you is that you make your selection as early as possible while there is still some choice sites. Throw a lunch and the kiddies in the "bus" next Sunday and drive up. The trip alone is worth the price of a lot.

Those ten beautiful sites I told you about last week are going fast, as well as the less expensive sites.

'Lest you forget' lots are from \$25 to \$100.

One-fourth to one-half acres are from \$150 to \$300.

Water piped down the road in front of each lot.

Get in touch with me at room 110, First National Bank Bldg. Phone 159.
