GET DIVIDENDS

Stockholders in Daley's, Incorporated, owning a chain of grocery stores in Southern California, one of which is located in Torrance, are receiving joyous New Year's greetings in the shape of dividends out of the profits during the past year, according to a notice received today from President Joseph A. Daley by C. M. Inman, local manager of the Daley's store. The board of directors of that company recently declared a dividend at the rate of 8 per cent per annum payable out of the surplus standing preferred stock of the corporation, dividend to be paid on January 2, 1924, to all stockholders of record on December 31, 1923. In addition a common stock dividend at the rate of 10 per cent was also declared payable to all stockholders of common stock of record on December 15, 1923, which is being paid on the same date as the preferred stock dividend.
