**Want To
 Make
 Real Money?**

It has become quite commonplace to make money in Torrance and Lomita Real Estate. Seems as though, no matter where one buys or what one pays, there is always a goodly profit within a short time. You have seen this take place all around you. Think it over—you know it's true.

**BUY REAL ESTATE
 INTELLIGENTLY**

If haphazard buying has brought profits, just think what intelligent buying will do. To buy intelligently read the real estate want ads in the Torrance Herald and Lomita News. Consider them carefully and discuss them with your family.

**YOU CAN BUY
 ON EASY TERMS**

Too many of us have been laboring under the impression that it takes a lot of money to buy real estate. When you read the real estate want ads carefully you will find many good opportunities where a very small cash payment and small monthly payments will give you your start toward profits.

**BUY THROUGH A
 GOOD REALTY FIRM**

A good reliable realty firm will give you the benefit of valuable experience and knowledge—and you can buy more intelligently with this service. The firms listed here have their best buys in the Torrance Herald and Lomita News today. Read the want ads—then consult the brokers.
