ORDINANCE No. 109

An Ordinance Establishing Curfew Regulations and Certain Regulations Regarding Minors.

The Board of Trustees of the City of Torrance do ordain as follows:

SECTION 1. It shall be unlawful for any minor of sixteen (16) years or under, of age, to be in any public street or other public place in the City of Torrance after the hour of nine (9) o'clock P. M. unless accompanied by guardian appointed by proper authority.

SECTION 2. The fire siren of the central fire station shall be sounded for a period of not to exceed five (5) seconds at the hour of nine (9) o'clock P. M. each evening, as a warning to all minors mentioned in the preceding section.

SECTION 3. It shall be unlawful for any proprietor or manager or owner or person in charge of any public dance hall to allow any person of sixteen (16) years or under to dance at any such dance hall after the hour of nine (9) o'clock P. M. unless accompanied by the parent or legal guardian.

SECTION 4. Any person who shall violate any of the provisions of this ordinance shall be deemed guilty of a misdemeanor, and upon conviction thereof, shall be punished by a fine not exceeding Three Hundred Dollars (\$300.00), or by imprisonment for a period not exceeding ninety (90) days, or by both such fine and imprisonment.

SECTION 5. The City Clerk shall certify to the adoption of this ordinance, and shall cause the same to be published once in the Torrance Herald, and thereupon and thereafter this ordinance shall be in full force and effect.

Approved:
R. R. SMITH,
President of the Board of Trustees of the City of Torrance.

Attest:
A. H. BARTLETT,
City Clerk of the City of (Seal) Torrance

State of California, County of Los Angeles—ss.
I, Albert H. Bartlett, do hereby certify that I am the City Clerk of the City of Torrance, and that the above ordinance was regularly introduced at a meeting of the Board of Trustees of said City on the 2nd day of March, 1925, and was adopted on the 16th day of March, 1925.

A. H. BARTLETT,
City Clerk of the City of (Seal) Torrance.

Mr. and Mrs. Otto Chambers were the guests of Mr. and Mrs. J. Bangs of Long Beach and George Lester of Cortland at a turkey dinner on Thursday evening at Imperial Inn.

The Ladies' Aid Society of the M. E. church will hold an all-day meeting Tuesday, April 21, at the home of Mrs. J. B. Hines, 1443 Post avenue. Each member is requested to bring a covered dish for the noon luncheon.

RADIO
By E. F. DeBRA

EDITOR'S NOTE.—In response to several requests from radio fans, Mr. Eugene DeBra is resuming his articles in The Herald. Mr. DeBra is a graduate of the Armour School of Technology, where he took a course in radioelectricity, specializing in hydro and wireless telegraphy.

Mr. DeBra was also in the Signal Corps of the United States Army during the war and later took a technical course in radio. Altogether his experience in radio and wireless telegraphy has covered a period of 14 years and he will have much of interest to tell local radio owners in this and subsequent articles.

In a former series of short articles the writer attempted to give a general idea of radio and "how it works" from the broadcasting end. In this series we'll talk about the receiving end (perhaps more interesting because most of us have receivers of our own) and offer what suggestions we can for improving reception in Torrance.

The aerial and ground connection are important and, as a rule, do not receive enough attention. Too long an aerial collects too much "static," and if parallel to power lines will pick up considerable noise from them by induction. Run your aerial at right angles to power lines, as far from them and as high as possible, and make sure that your lead-in wire makes a good connection with the aerial wire. This connection should always be well taped even if soldered.

The "non-directional loop" aerial seems to give the best results in many localities. A description of how to build it will be given in the next article.

Mr. and Mrs. Ed Tansey and daughter Eunice and Mr. and Mrs. Lawrence Crowell drove to Glendale Sunday and enjoyed an airplane ride. They attended a performance of "Meet the Wife" in Los Angeles in the evening.

SCHOOL NEWS

HIGH SCHOOL

The enrollment of the Torrance evening high school is increasing steadily. There are 160 now attending. The attendance in the woodwork, mechanical drawing and mathematics classes has dropped below the required number. Anyone interested in any of these subjects is cordially invited to join so it will not be necessary to discontinue any of the classes before the end of the year.

J. Isenstein, proprietor of Pueblo, has given the school a room in which to conduct classes. On Monday night of this week a class was started in Pueblo for Spanish-speaking people, meeting three times a week. It is a well attended class and great interest is being shown.

I. W. Barnett, principal, spent his spring vacation attending the high school principals' convention at Santa Barbara. Mrs. Barnett accompanied him. All high school principals of the state are required by law to attend this convention.

The Girls' League middy and skirt contest ended last week with the senior girls winning. A pennant will be awarded to that class at the next regular meeting. The seniors will challenge the other classes to another contest.

Harold Romine is suffering from a sprained ankle which he received at a skating party at Alamitos Bay rjpk.

George Watson, Geraldine Miller and Harry Phillips attended the forum meeting at Huntington Park on Tuesday. The high school president and two representatives from the 12 Bay League schools constitute the forum. A delicious luncheon was served following a lively business meeting.

The baseball team played the Gardena team at Gardena Friday, April 17. This is the second official league game of the series.

Melvin McFarland broke his right arm while playing ball on the

school grounds on Thursday afternoon.

A drive is now on to see which class can sell the greatest number of tickets for the school play, "Come Out of the Kitchen," which will be given on April 24.

The Boys' League met with Mr. Barnett Thursday afternoon to make plans to co-operate with the Rotary Club in the observance of Boys' Week in Torrance. Carl Burmaster has been elected president of the league.

The Long Beach high school orchestra will give an entertainment at the Torrance high school Thursday, April 30. The public is cordially invited. This is the best school orchestra in Southern California. They are giving their services entirely free, but the student body is charging a small admission to pay their transportation, this being the only expense.

ELEMENTARY SCHOOL

On Tuesday Mr. Kersey held a teachers' meeting at Torrance, attended by 60 teachers from this district. The Torrance teachers worked unceasingly to put the rooms in order and decorate, and the results of their efforts were greatly admired by the visitors.

Especially made tooth brushes for children may be obtained through the school nurse, Miss Flagg, on Thursdays, for the very nominal cost of 10 cents. This offer is to stimulate the practice of cleaning the teeth and in no way a profit-making offer.

The May festival will be on Friday evening, May 15, in the high school auditorium, at 7:45. The P.-T. A. will have refreshments for sale. Admission will be 25 cents and 10 cents.
