"I believe this is the first true story of the stage," he continues.
Goulding was brought up on the stage, having toured with "Alce in Wonderland" when he was a child, later continuing his theatrical career in London, Paris, New York, Seattle, Florence and Marselles. Naturally, he is able to give real atmosphere to his production.
Constance Bennett, Joan Crawford and Sally O'Neill have the three title roles, with William Haines featured as Jimmy Dugan. This is a screen story by Goulding based on the play by Ed Dowling.

Brother Treese preached Sunday morning from the seventh chapter of St. Matthew's gospel, "Judge not, that ye be not judged" (Matt. 7:1). The evening sermon was about the second coming of our Lord. The great theme of the gospel is to be ready when He comes. In Luke 12:40 we read these words: "Be ye therefore ready also; for the Son of Man cometh at an hour when ye think not" (Matt. 24:42). Watch, therefore, for you know not what hour your Lord doth come. There are scores of places in God's word where we find passages like this. We believe He is coming soon. Are you ready?

No Demonstration can reveal all of BUICK Excellence

ANY time you drive a Buick you will wonder how such a remarkable car can be had at such a moderate price.
In just a few minutes you will realize that you are starting, stopping, parking, driving with much greater ease and security. And that you are surrounded by quality and luxury which rank with the very finest.
But demonstration will tell only part of the Buick story, and you should know all of it. A demonstration cannot show you the enduring stamina of body and chassis that belongs to Buick. Years are necessary for that. It can only suggest the powerful ability of Buick's 75 horsepower Valve-in-Head engine, built for hills. It cannot tell you how thoroughly the Buick "Sealed Chassis" and the Buick "Triple Sealed" engine will protect Buick performance on dusty, gritty roads.
And it cannot even hint of the mental ease you will enjoy, with Buick Authorized Service "just around the corner" everywhere in America.
