

New Roller Rink Opens This Week on Carson Street

The new roller skating rink in the American Recreation Hall, 1935 Carson street is celebrating its formal opening this week.

professional skaters to Torrance. "I want the people of this district to know that I will always conduct a first class skating rink, insisting upon good order at all times," said Mr. Carleton, "and I feel that this rink will be a credit to Torrance."

TOWNE TALK "Just for Fun" By RAS BERRY

Geo. Proctor he gets up early every a. m. and goes to a restaurant to get his breakfast. Mrs. P. she gets up a little later and cooks her own eggs and coffee.

The other morning Geo. had went and Mrs. P. was about ready to go when a bum come up to the back door and asks for something to eat and Mrs. P. she says come in and she starts cooking him some breakfast and he was awful dirty and she made him wash and after he got the top layer of dirt off of his dukes she says do you like cream with your coffee and he says and how and so she serves him up a slick breakfast of eggs and coffee and toast and meanwhile Geo. was getting his down to the restaurant.

Mrs. P. was telling my boss about it and she says it struck her funny that Geo. was down to the restaurant getting his grub and here she was cooking a breakfast for a bum and my boss says mebbe that bum was Geo. in disguise trying to get a meal at home.

Geo. he says that bum went never come back to eat a breakfast. Geo. says he tried eating breakfasts cooked by Mrs. P. a long time ago but quit it in 1910. He says for me not to feel sorry for him for having to get his breakfasts in a restaurant but to extend our sympathy to the bums that Mrs. P. cooks breakfast for.

Geo. says as a cook Mrs. P. is a fine dentist.

I went out into our back yd. and there was Bob Kratz's little girl and my boy matching chicken poxes to see who had the biggest pox. My boy win with a big one on his leg but his playmate she said it wasn't a pox but a barked shin.

Scottie Scott says they is such a demand for appliances that he looks forward to the day when the only thing a kitchen lacks is a electric chair.
