SCHOOL NEWS

HIGH SCHOOL

Due to insufficient funds, the High School annual was not sent to press on May 18, as was planned. Instead the date was postponed to May 25. During the extended time, it is hoped to bring up the finances to such a state so as to afford twelve extra pages to the present ninety-six and also an imitation leather cover.

The Scholarship society presented a fast moving and highly entertaining comedy May 22, at "aud" call. It was "The Lie that Jack Built," and the cast included Robynette See, Marie Boyd, Howard Schmidt and Richard Sinclair.

The Torrance nine met the Lomita Gauchos on Friday, May 18. The game was interesting and thrilling. The score was a tie in the ninth inning, but the final score was 5 to 3 in favor of the Gauchos.

Trees and shrubs are being planted around the campus of our up-to-date high school. In years to come the school will look very nice with vines clinging to the walls of the tennis courts.

The Journalism students are strutting around the campus with little bright "Torches." The pins are very appropriate. The class think they are just "it" with this insignia.

"Stray Cats," the senior class play, is to be presented at the high school auditorium on Friday, May 25. The performance is to start at 8:15. The reserved section is all sold out.

The play is a three act farce comedy, written by Leslie H. Carter. At all the schools which have previously given it, it has been well received by a capacity house.

If your outlook on life is blue, come to our play—and we'll cheer you up. If you are naturally cheerful, come anyway, and we'll give you something to laugh at.

Lower you may feel when you start out, we'll guarantee you high spirits when you leave. Don't miss this, or you'll miss one of the happiest times of your life.

The boys' class of '28 went up to Miss C. Mabee's cabin at Arrow-Bear last weekend. They left right after the game Friday and got home at about 10 o'clock Sunday night. They surely had a wonderful time.

ELEMENTARY SCHOOL

The boys of the upper grades spent the weekend as guests of Mr. Bell at Laguna Beach. They left Torrance on the two school buses at 8:30 Saturday morning, preceded by Traffic Officer Mallin they arrived safely in camp about noon. After preparing their camp for the night they took a dip in the ocean. They had dinner about 6:30, prepared by Mr. Bell. They were supposed to sleep during the night, but from various sources it has been learned that not much sleeping was done. Upon rising at 4:30 they had breakfast, cooked over the camp fire. They spent the morning hiking and swimming. After a bounteous dinner the party returned to Torrance, declaring that they had a wonderful time.

Mr. Bell wishes to thank the following persons for their aid in making the weekend successful: Mr. Egan, for the groceries at wholesale prices; Mr. Meinen, who donated a dozen large pies and marmalade; the Rotary and Kiwanis Clubs, who donated \$10.00 each to pay the bus drivers; Mr. Lossee, the bus contractor, who donated the buses and free gas and oil; Chief of Police Calder, who allowed Officer Mallin to escort the outfit safely through traffic; Mr. Downs, of the Glendora Football school, who loaned the campsite, and different parents for suitable cooking utensils.

Mrs. Bond, downstairs and Mrs. Husted, upstairs, have held the thrift banner for the past two weeks.

Jimmy Miller, one of our Torrance boys, won third place in the district finals, in the Junior Olympic games, and won the chance to compete in the Coliseum in the County Finals Homer Kirkpatrick also won a tie, but lost the place at the flip of a coin.

No Good to You

A little BOY of our ACQUAINTANCE fell down a FLIGHT of stairs the other day and was SITTING on the bottom step CRYING when an ELDERLY gentleman came along and ASKED him if the fall had HURT him, and the little fellow MANAGED to stifle his SOBS long enough to REPLY, "Well, it didn't do me any GOOD," and it STRIKES us that is a good DEAL the way with these BATH brushes here at our STORE.
