By Light Post Salesmen  
With Petitions

The Pre-Bid of Westinghouse for the Torrance  
Residence District Is the Lowest Considered  
by the City

HERE THEY ARE:

<i>Westinghouse</i>	Cast Iron Posts	. . . . .	95 Cents Per Front Foot
<i>Other Bidder</i>	Cast Iron Posts	. . . . .	96 Cents Per Front Foot
<i>Other Bidder</i>	Steel Posts	. . . . .	97 Cents Per Front Foot

(In Above Figures Fractions of a cent have been disregarded)

Westinghouse Non-Rusting Cast Iron Posts Are Made 100  
Percent in Southern California. Torrance Can Install Them  
at Less Cost Per Front Foot In the Residence District and  
Keep Southland Money in the Southland.
